FIELD OF RESEARCH

Nonlinear Partial Differential Equations, Calculus of variations,
Geometric Analysis, Nonlinear Analysis, Dynamics of Fluid.

EDUCATION

Courant Institute, New York University, New York
Ph.D. in Mathematics, Thesis Adviser: **Louis Nirenberg**
Institute of System Sciences, CAS, Beijing,
M.S. in Mathematics, Thesis Adviser: Xiaqi Ding
University of Science and Technology of China, Hefei
B.S. in Mathematics

EMPLOYMENTS

1992-Present **University of Colorado, Boulder**
Assistant, Associate, and Professor
2006 – 2007 **University of California at Riverside**
Professor
1991 – 1992 **Institute for Advanced Study, Princeton**
Visiting member
1989 – 1991 **University of Pennsylvania, Philadelphia**
Instructor

VISITING POSITIONS

2009Spring **Institute for Mathematics and Its Applications**
Visiting Professor
2006Spring **California Institute of Technology &
Courant Institute of Mathematical Sciences,
New York University**
Visiting Scholar

Professional Membership

Fellow of the American Mathematical Society (AMS Fellow)

Board of Editors

Discrete and Continuous Dynamics Systems A, 2012-present

Acta Mathematica Scientia, 2013-present

Communications on Pure and Applied Analysis, 2003-2012.

GRANTS and AWARDS

1990 - 1992 PI of: NSF Grant DMS-9003694, DMS-9401441,
DMS-9623390, DMS-9970530, DMS-0401174,
DMS-0530901, NSF-IMA, Very Important Visitor, 2009,
DMS-0908097, DMS- 1405175.
CO-PI: NSF Grant EAR-093467.

PhD STUDENTS

Eric Wright(2002), Chao Jin,(2007), JiSun Lim,(2007).

John Villarvert (2012), Chao Ma(2012), Ze Cheng(2016).
