

ANGELA DENISE BRYAN

Department of Psychology and Neuroscience

University of Colorado Boulder

angela.bryan@colorado.edu

Employment

August 2019 – Present	Associate Chair for Faculty Development, Department of Psychology and Neuroscience, University of Colorado Boulder
August 2010 – Present	Professor, Department of Psychology and Neuroscience, University of Colorado Boulder
August 2023 – Present	Adjunct Professor, Division of Medical Oncology, University of Colorado Anschutz School of Medicine
August 2010 – Present	Faculty Fellow, Institute of Cognitive Science, University of Colorado Boulder
August 2010 – Present	Faculty Member, University of Colorado Boulder Center for Neuroscience
January 2012 – Present	CCSG Member, University of Colorado Cancer Center
August 2016 – Present	Member, University of Colorado Anschutz School of Medicine Center for Neuroscience
July 2019 – Present	Member, Colorado Nutrition Obesity Research Center (NORC)
July 2009 – August 2011	Professor, Department of Psychology, University of New Mexico
August 2008 – August 2014	Professor of Translational Neuroscience, MIND Research Network
August 2007 – August 2015	Research Professor, Department of Psychology and Center for Alcoholism, Substance Abuse and Addictions (CASAA), University of New Mexico
August 2007 – August 2009	Adjunct Associate Professor, Department of Psychology and Neuroscience, University of Colorado at Boulder
August 2007 – July 2009	Associate Professor, Department of Psychology, University of New Mexico
August 2006 – August 2007	Associate Professor, Department of Psychology, University of Colorado at Boulder
August 1999 – August 2006	Assistant Professor, Department of Psychology, University of Colorado Boulder
August 1999 – May 2004	Faculty Research Associate, Institute of Behavioral Science, University of Colorado Boulder
August 1998 – July 1999	Research Assistant Professor, Department of Psychology, University of Connecticut, Center for HIV Intervention and Prevention
July 1997 – August 1998	Postdoctoral Research Associate, Department of Psychology, University of Connecticut, Center for HIV Intervention and Prevention

Education

Ph.D., Social Psychology, Quantitative Emphasis. (1997) Arizona State University, Major Advisor: Leona S. Aiken

M.A., Social Psychology, Quantitative Emphasis. (1994) Arizona State University, Major Advisor: Leona S. Aiken

B.A., Psychology. (1992) University of California, Los Angeles, Magna cum Laude and Departmental Highest Honors, Major Advisor: Barry Collins.

Honors, Awards, and Fellowships

September 2018	Cannabis Scientist of the Year (Co-awarded with Drs. Kent Hutchison and Cinnamon Bidwell), <i>The Analytical Scientist</i>
May 2017	2016-2017 Outstanding Faculty Mentor Award, University of Colorado Boulder
August 2016	Fellow, Division 8 (Social Psychology) of the American Psychological Association
April 2016	Outstanding Senior Mentor, Awarded by the Student Interest Group of the Society of Behavioral Medicine
December 2015	Fellow, Association for Psychological Science
November 2014	2014 NIH Merit Award given to the Cognitive, Affective, and Social Processes in Health Research (CASPHR) Working Group, for exceptional advances in integrating cognitive, affective, and social processes into cancer control research
January 2013	CU Denver External Research Mentor Award to mentor Dr. Krista Ranby
August 2012	Fellow, Division 38 (Health Psychology) of the American Psychological Association
April 2011	Fellow, Society of Behavioral Medicine
August 2006	American Psychological Association (APA) Distinguished Scientific Award for Early Career Contribution to Psychology in the area of Health Psychology
May 2006	CU Boulder Department of Psychology Faculty Teaching Award
May 2005	CU Boulder Department of Psychology Faculty Research Award
March 2002	Building Community CU@Lunch Mentor Appreciation Award
February 2000	Bruce K. Ekstrand Junior Faculty Development Award
August 1995 - June 1997	Preparing Future Faculty Fellowship
August 1993 - August 1996	National Science Foundation Graduate Fellowship
August 1992 - May 1993	Arizona State University Graduate Academic Scholarship
September 1988 - June 1992	National Merit Scholarship, UCLA

Active Research Grants

Principal Investigator, 1R61AG078088 - 01A1, *Exercise adherence and cognitive decline: Engaging with the Black community to develop and test a goal-setting and exercise intensity intervention*, Project Period 09/01/2023 – 08/31/2028, Total Award Amount (including Indirect Costs): \$3,073,464.00

Co-Investigator, 1R01MH131803-01A1, *Positive Emotion in Bipolar Disorder Onset and Illness Course in Emerging Adults* (June Gruber, Principal Investigator), Project Period 09/01/2023 – 08/31/2028, Total Award Amount (including Indirect Costs): \$3,619,081

Principal Investigator, 1R01CA284860, *Cannabis for Palliative Care in Cancer: A Placebo-controlled Randomized Trial of Full Spectrum Hemp-derived CBD/THC*, Project Period 08/01/2023 – 07/31/2028, Total Award Amount (including Indirect Costs): \$3,246,883

Principal Investigator, 1 P50 DA056408-01A1, *Rocky Mountain Cannabis Research Center - Cannabidiol and Older Adult Cannabis Users: A Randomized, Placebo Controlled Study* (P50 Center Overall PI: Hutchison, K.). Project Period: 07/01/2023 – 06/30/2028, Total Award Amount (including Indirect Costs): \$2,445,990

Co-Investigator, 1R21CA256656, *Adaptive physical activity maintenance intervention for cancer survivors* (H. Leach, Principal Investigator) Project Period 09/01/21-8/31/23, \$408,320.

Principal Investigator, 1R01AG066698-01A1, *Cannabis use among older adults: Potential risks and benefits to an aging population*, Project Period 02/15/2021 – 01/31/2026. Amount of Award: \$3,066,967

Co-Investigator, R01 DA048069, *Novel Approaches to Opiate Use Reduction*, (K. Hutchison, Principal Investigator), Project Period 7/1/20 – 6/31/25, Amount of award, \$2,340,665

Principal Investigator, 1R01DA50515-01A1, *Exploring the anti-inflammatory properties of cannabis and their relevance to insulin sensitivity*, Project Period 9/1/19 – 8/31/24. Amount of Award: \$3,470,740

Completed Research Grants

Co-Investigator, 1R01AT009541-01, *An observational study of the effects of edible cannabis and its constituent cannabinoids on pain, inflammation, and cognition*. (L.C. Bidwell, Principal Investigator), Project Period 9/15/17 – 8/31/22. Amount of Award: \$3,410,023

Co-Investigator, 1R01DA044131-01, *Novel approaches to examining the links among cannabinoids, inflammation, and anxiety*. (L.C. Bidwell, Principal Investigator), Project Period 9/1/17 – 8/31/22. Amount of Award: \$2,813,285

Principal Investigator, Colorado Cancer Center Investigator Initiated Trial, *Effects of Cannabis Use in Cancer Patients: A Feasibility Study*, Project Period 6/1/18 – 2/1/23. Amount of Award: \$50,000

Co-Investigator, R01DA039707, *Marijuana harm reduction: Innovative strategies for developing new knowledge*. (K. Hutchison, Principal Investigator), Project Period 9/1/16 – 8/31/21. Amount of Award: \$2,199,844

Consultant, R34 AA026055-01A1, *Nexus of Risk: Sexual Assault, Alcohol Use, and Risky Sex among College Women*, (E.A. Yeater, Principal Investigator), Project period 4/1/18 – 3/31/21. Amount of award: \$243,909.

Co-Investigator, CDPHE2902, *Effects of dabbing on marijuana intoxication, driving, and cognition*. (L.C. Bidwell, Principal Investigator) Project Period 04/01/17 – 03/31/21. Total direct costs \$839,500. Amount of Award: \$845,169

Co-Investigator, R01AA024632, *Dismantling Mindfulness-based relapse prevention: Identifying Critical Neuroimmune Mechanisms of Action*. (K. Hutchison, Principal Investigator), Project Period 04/01/16 – 03/31/21. Amount of Award: \$3,497,490

Panel Member, U13 AA024987, *Working toward efficacious prevention interventions for alcohol-related HIV/AIDS*. (S. Maisto, Principal Investigator), Project Period 5/1/16 – 4/30/20.

Principal Investigator, NIA 1R01AG043452-01A1, *Enhancing function in later life: Exercise and functional network connectivity*. Project Period 7/1/14 – 6/30/19. Total direct costs: \$1,724,350.

Co-Principal Investigator, NIMH 1R34MH103231-01A1, *Exercise and markers of medial temporal health in youth at-risk for psychosis*. (V. Mittal and A. Bryan, Principal Investigators, Multiple PI

mechanism) Project Period 7/1/16 – 6/30/19. Total direct costs: \$300,000.

Principal Investigator, NCI 1R01CA179963-01, (*PQA-5*) *DNA methylation and cancer prevention: duration and intensity of exercise*. 09/04/2013 - 06/30/2017. Total direct costs: \$2,128,859.

Co-Investigator, NIAAA 1R21AA021878-01A1, *Risk Processing, Alcohol Use, and College Women's Sexual Victimization*. (E. Yeater, Principal Investigator). Project Period 02/1/14 – 01/31/16. Total direct costs: \$147,249.

Co-Principal Investigator, NINR 1R01NR013332, *Adolescent decision making and HIV risk avoidance: Neurocognitive factors*. (A. Bryan and S. Feldstein Ewing, Principal Investigators, Multiple PI mechanism) Project period 10/1/11 – 9/30/16. Total direct costs: \$1,250,000.

Co-Investigator, NIDA 1R03DA035690-01, *The Effects of Client Change Talk on Risky Sexual Behavior*. (J. Houck, Principal Investigator). Project Period 03/01/13 - 02/28/15. Total direct costs: \$100,000.

Co-Investigator, NIDA, *Error Detection and Error Awareness in Incarcerated Cocaine Dependent Individuals*. (M. Shane, Principal Investigator). Project Period 7/1/11 – 6/30/15. Total Costs: \$1,836,100.

Co-Investigator, NIDA R01DA025074-01A2, *Effectiveness of Varenicline: Testing Individual Differences*. (K.E. Hutchison, Principal Investigator). Project Period 9/1/09-8/31/14. Total Costs: \$2,614,290.

Co-Investigator, NIAAA 1R01 AA017878-01, *AMICA: Assessing the fit of Motivational Interviewing by Cultures with Adolescents*. (S. Feldstein Ewing, Principal Investigator). Total yearly costs = \$468,381. Project Period 8/25/09 – 8/24/14.

Principal Investigator, NIAAA 2R01AA013844, *Alcohol, marijuana, and risky sex: Group interventions with detained adolescents*, Total direct costs=\$1,771,659. Project Period 7/1/09 – 6/30/14.

Co-Investigator, NIDA R01 DA024002, *Multilevel Analysis of Self-Regulation of Substance Abuse*. Total direct costs = \$2,728,120, Project period 5/1/09 – 4/30/14. (T.A. Ito, Principal Investigator).

Principal Investigator, NIAAA R01 AA017390-01, *HIV prevention with adolescents: Neurocognitive deficits and treatment response*. Total direct costs = \$2,400,000, Project Period = 10/1/07 – 9/30/12.

Co-Investigator, R01, NIAAA, *Sensitivity to Intravenous Ethanol: Genetic Determinants*, Total direct costs=\$1,250,000, Project Period = 10/1/07 - 9/30/12 (K. Hutchison, Principal Investigator).

Co-Investigator, NIDA R01DA018575-01A2, *Web-based Substance Abuse and STD/HIV Prevention*. (G. Woodall, Principal Investigator). Total yearly costs = \$632,490. Project Period 08/15/09-07/31/11.

Co-Investigator, NIDA 1R03DA027892, *Adolescent Response to Psychotherapy: The Role of Neuronal Networks*, Total direct costs = \$50,000. (Sarah J. Feldstein Ewing, Principal Investigator). Project Period = 4/1/10 – 3/31/11.

Co-Investigator, NIAAA R01 AA014886-02A1, *A New Pharmacotherapy for Alcohol Dependence: Olanzapine*, Total direct costs = \$1,946,297. (K.E. Hutchison, Principal Investigator). Project Period = 12/01/05-11/30/10.

Co-Investigator, Project 4, NIAID U19 AI084081-01, University of New Mexico Interdisciplinary HPV Prevention Center. (C. Wheeler, Center Principal Investigator; G. Woodall, Project 4 Principal Investigator). Total costs = \$13,000,000, Project Period 9/14/09 – 9/13/14.

Principal Investigator, NIDA R01 DA019139-01, *Marijuana use, Gender, and Adolescent HIV Sexual Risk*, Total direct costs = \$1,000,000, Project Period = 8/1/04 – 7/31/09.

Principal Investigator, NCI, R01 CA109858-01, *Mediators and Moderators of Exercise Behavior Change*, Total direct costs = \$1,664,232, Project Period = 7/1/04 – 6/30/09

Principal Investigator, NIAAA 1 R01 AA013844-01, *Alcohol use and Sexual Risk: An Intervention*, Total direct costs = \$850,000, Project Period 9/25/02-8/31/07.

Co-Investigator, NIDA 1 R01 DA14642-01, *Progression of Craving and Addiction: Genetic Factors*, Total direct costs = \$1,000,000. (K.E. Hutchison, Principal Investigator), Project Period = 1/1/02-12/31/07

Principal Investigator, NCI, R03 CA097870, *Developing Endophenotypes for Responses to Exercise*, Total direct costs = \$100,000, Project Period = 4/1/03 – 3/31/06

Principal Investigator, NIAAA 1 R03 AA12925-01, *Alcohol Use and HIV Risk Among Adolescents on Probation*, \$100,000, Project Period = 6/00-8/02.

Collaborator, NIMH 5 R01 MH59473-02, *HIV Prevention Intervention with Indian Truck Drivers*, \$125,000, (J.D. Fisher, Principal Investigator). Project Period = 8/00-8/02

Co-Investigator, *Preparing Future Faculty in Psychology*, American Psychological Association, \$22,000, (I. Blair, Principal Investigator), Project Period = 5/2000-5/2002.

Training Grants Awarded to Dr. Bryan's Trainees

Advisor, NSF Graduate Research Fellowship, *Investigating the influence of sexual orientation discrimination on determinants of health in LGB-identifying individuals: Toward an LGB model of wellness*. (L. Gibson, Principal Investigator). Project Period = 8/20 – 7/23.

Co-Mentor, K32 NHLBI, *Treatment Phenotypes for Adolescents with Asthma*, (H. Hoch De Keyser, Principal Investigator). Project Period 6/1/2020 – 5/31/2023

Co-Mentor, 1 F32 DK122652, *Enhancing Physical Activity Adoption and Maintenance in Adults with Obesity by Understanding Motivation for Exercise: A Mixed Methods Research Design*, (D. Ostendorf, Principal Investigator). Project Period is 03/01/2020 – 06/30/2022.

Co-Mentor, K01 HL 143039-01A1, *Rethinking Obesity and Cardiometabolic Health in Women: Using Evolutionarily Informed Hypotheses to Integrate Physiology and Behavior During Weight Loss*. (A. Caldwell, Principal Investigator). Project period is 4/1/19-3/31/2023.

Co-Mentor, American Cancer Society Training Grant #MRSRG CPPB – 131629, *Predictors of Physical Activity Maintenance in Colorectal Cancer Survivors*. (H. Leach, Principal Investigator). Total Direct Costs \$718,000, Project Period 8/18 – 7/23.

Advisor, PEO Scholar Award (N. Hansen, Awardee). Total costs \$20,000. Awarded 2018.

Co-investigator, Visionary Grant, American Psychological Foundation, *Optimizing Incentive Interventions for Diet and Physical Activity: Roles of Cognition, Motivation, and Weight Status*. (C. Gardiner, Principal Investigator). Total Direct Costs \$19,700, Project Period = 9/10/17 – 9/9/18.

Collaborator/Dissertation Committee Member, American Heart Association grant number 16PRE29660012, SWA Winter 2016 Predoctoral Fellowship, *Objective validation of amount of physical activity required for long-term weight loss*. (D. Ostendorff, Principal Investigator). Project Period = 07/01/16-6/30/18.

Advisor, NSF Graduate Research Fellowship, *Psychological and neurocognitive mechanisms underlying incentive-induced behavior change*. (C. Gardiner, Principal Investigator). Project Period = 8/15 – 7/18.

Sponsor, NCI F31 CA18048, *Mechanisms of exercise maintenance: Cancer prevention in healthy older women*. (C. Stevens, Principal Investigator), Project Period = 7/13 – 6/16.

Sponsor, NIAAA F32 AA18629, *Alcohol and HIV risk: Genetic and Endophenotype Approaches*. (C. Hendershot, Principal Investigator), Project Period = 9/09 – 8/11.

Sponsor, NIMH F31 MH079636, *Mechanisms of Exercise Maintenance and the Effects of Depression*. (B. Kwan, Principal Investigator), Project Period = 9/07 – 8/10.

Sponsor, NICHD F31 HD043899, *NIH Predoctoral Fellowship for Students with Disabilities*, (A. Mahaffey, Principal Investigator), Project Period = 4/03 – 3/06

Co-Sponsor, NIAAA F31 AA05561, *Mediators and Moderators of a Brief Intervention for Hazardous Drinkers*, \$66,981, (H. LaChance, Principal Investigator), Project Period = 6/01 – 5/04.

Invited and Conference Presentations (past 5 years only)

- Lisano, J.K., Skrzynski, C., Giordano, G., Bryan A.D., Bidwell, L.C. (August, 2023). Don't Hit Snooze on Cannabis: Inflammatory Mediated Effects on Sleep Quality in Mild to Moderately Anxious Individuals. Cannabis Research Conference, Denver, Colorado.
- Gibson, L.P., Giordano, G.R., Gao, L., & Bryan, A.D. (August, 2023). Location, location, location: Variability in Experience of Exercise during Cannabis Use in the Natural Environment versus the Lab. Presentation as part of the symposium "Exercise, Cannabis, and Health" at the Cannabis Research Conference, Denver, Colorado.
- Gibson, L.P., Skrzynski, C.J., Giordano, G., & Bryan, A.D. (July, 2023). A daily diary investigation of cannabis use and its diet and exercise correlates. Poster presented at the Research Society on Marijuana Conference, Long Beach, CA.

- Giordano, G.R., Bryan, A.D., Ortiz Torres, M., Brook, C., Mackie, D., Bidwell, L.C. (July, 2023). Accuracy of labeled THC potency across product types in Colorado. Poster presented at the Research Society on Marijuana Conference, Long Beach, CA.
- Kramer, E., Pietri, E., & Bryan, A. D. (June, 2023). Reducing anti-fat bias toward the self and others: A randomized controlled trial. Paper presented at the International Weight Stigma Conference, Denver, CO.
- Gibson, L.P., Shellman, S., & Bryan, A.D. (April, 2023). Running high: Acute effects of legal-market cannabis use on the subjective experience of exercise in a naturalistic setting. Poster presented at the Society of Behavioral Medicine Annual Meeting, Phoenix, AZ.
- Gust, C.J. & Bryan, A.D. (April, 2023). Effects of yoga on physical and psychological health: Theory-based mechanisms of an ancient practice. Paper presented at the Society of Behavioral Medicine Annual Meeting, Phoenix, AZ.
- Bidwell, L.C. Martin-Willett, R., Ortiz Torres, M., Giordano, G., Lisano, J., Skrzynski, C., Hutchison, K.E., & Bryan A.D. (December, 2022). Short-term Anxiolytic and Harm-Reducing Effects of Cannabidiol in Cannabis Flower. American College of Neuropsychopharmacology Conference, Phoenix, Arizona.
- Giordano, G., Curran, T., Carpenter, W., Tracy, B.L., Bryan, A.D., & Bidwell, L.C. (July, 2022) Mobile technologies support biobehavioral cannabis research in the wild. Presentation at the Research Society on Marijuana annual meeting, Boston, MA.
- Leach HJ, Hidde MC, Gomes EL, Roberts S, Bryan AD, Cockburn MG, Messersmith WA. Testing Activity Correlates in Colorectal Cancer Survivors (TACTICS): A study protocol for a group-based, videoconference-delivered physical activity intervention. Poster presented at the International Society of Behavioral Nutrition and Physical Activity (ISBNPA) Annual Meeting, May 18-21 2022, Phoenix, AZ
- Bryan, A.D., Gibson, L.P., Giordano, G.R., Malabanan, C., Lankenau, A., & Skrzynski C.J. (April, 2022). Relationship of cannabis use and frequency of use to physical activity: A daily diary analysis. Presentation as part of symposium “Adapting to the widespread legalization of cannabis: Potential implications for physical activity behavior” presented at the Society of Behavioral Medicine Annual Meeting, Baltimore, MD.
- Bidwell, L.C., Drennan, M.L., Karoly, H.C., Bryan, A., & Hutchison, K. (December, 2021). Cannabis exposure, intoxication, and mood effects after use of high potency THC-dominant vs. CBD-dominant cannabis concentrates. Poster presented at the 2021 meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico.
- Gibson, L.P., & Bryan, A.D. (November, 2021). Examining the effects of sexual orientation discrimination on HIV risk among sexual minority men: The role of state self-esteem. Talk presented at the Society for the Scientific Study of Sexuality’s Annual Conference, San Juan, Puerto Rico.
- Ostendorf, D.M., Kisling-Thompson, L., Barnard, J.G., Rogan, E.M., Wayland, L., Panter, S.L., Conroy, D.E., Masters, K.S., Bryan, A., & Catenacci, V.A. (October, 2021). Experiences of a theory-based physical activity program in adults with overweight or obesity. Poster presented at the virtual 2021 meeting of The Obesity Society.
- Dash, G. F. Chung, T., Yang, M., Bryan, A.D., Hudson, K. A., & Feldstein Ewing, S. W. (June, 2021). Impact of adolescent:provider connectedness on problem drinking outcomes following brief behavioral interventions. Poster presented at the Research Society on Alcoholism Conference (virtual).
- Gibson, L. P., Bryan, A. D. (May, 2021). The impact of sexual orientation discrimination on the HIV-risk cognitions and behaviors of men who have sex with men (MSM). Flash Talk presented at the Association for Psychological Science 2021 Convention. Hosted virtually due to COVID-19.
- Gibson, L. P., Bryan, A. D., & Feldstein Ewing, S. W. (April, 2021). Comparative efficacy of two empirically-supported sexual risk reduction interventions for justice-involved youth. Research spotlight presented at the 42nd Annual Meeting of the Society of Behavioral Medicine. Hosted virtually due to COVID-19.
- Caldwell AE, Nicklas JM, Masters KS; Bryan AD, Swanson B, Hill JO, Catenacci, VA. (April, 2021). Healthy Eating and Exercise Identity in a Behavioral Weight Loss Intervention: Testing Predictions of the Maintain IT Model. Research Spotlight presented at the 42nd Annual Society of Behavioral Medicine (virtual).

- Gibson, L. P., Magnan R. E., Kramer, E., & Bryan, A. D. (February, 2021). Psychological determinants of social distancing intentions and behavior during the COVID-19 pandemic: An application of the Theory of Planned Behavior. Poster presented at the Society for Personality and Social Psychology's Health Preconference. Hosted virtually due to COVID-19.
- Gibson, L. P., & Bryan, A. D. (February, 2021). Exploring the effects of sexual orientation-based discrimination on binge drinking intentions and behavior among lesbian, gay, and bisexual (LGB) individuals. Poster presented at the Society for Personality and Social Psychology's Annual Convention. Hosted virtually due to COVID-19.
- Bryan, A.D., Giordano, G., Martin-Willett, R., Ma, W., Helmuth, T.B., Hutchison, K.E., & Bidwell, C. (July, 2020), Examining cannabis use in cancer patients undergoing treatment: A feasibility study. Paper accepted for the 30th Annual International Cannabinoid Research Society Symposium on the Cannabinoids, Galway, Ireland. Cancelled due to COVID.
- Bidwell, L.C. Gibson, L.P., Karoly, H.C., Gust, C.L., Ellingson, J., Sempio, C., Klawitter, J., Bryan, A., Hutchison, K.E. (July, 2020). Sex-specific intoxication, affective, and psychomotor responses in cannabis concentrate users. Paper accepted for the 30th Annual International Cannabinoid Research Society Symposium on the Cannabinoids, Galway, Ireland. Cancelled due to COVID.
- Bidwell, L.C, Gibson, L.P., Gust, C.L., Ellingson, J.M., YorkWilliams, S.L., Sempio, C., Klawitter, J., Bryan, A., Hutchison, K.E. (December, 2019). Investigating Sex as a Moderator of Acute Objective and Subjective Intoxication after Ad Libitum Cannabis Concentrate Use. Poster presentation at the annual meeting of the American College for Neuropsychopharmacology. Orlando, Florida.
- Hidde MC, Bryan A, Messersmith WA, Cockburn MG, Leach HJ. (November, 2019). Testing Activity Correlates in Colorectal Cancer Survivors (TACTICS): A Clinical Trial Protocol. Poster presented at the Colorado Cancer Coalition Symposium, Lakewood, CO.
- Bryan, A., YorkWilliams, S., Gibson, L., Gust, C., Mueller, R., Giordano, G., & Hutchison, K. (July, 2019). Older adult cannabis users exercise more than non-users in the context of a physical activity intervention. Poster presented at the Gordon Research Conference: Cannabinoid Function in the CNS, Castelldefels, Spain.
- Ostendorf, D.M. Snell-Bergeon, J.K., Lande, J.P., Barón, A.E., Bryan, A.D., Schmiede, S.J., Cumiskey, K., Thomas, D.M., Comstock, D., Melanson, E.L., Catenacci, V.A. (June, 2019). The optimal threshold of device-assessed physical activity required to predict achievement of clinically significant weight loss at 24 months: A receiver operating characteristic curve analysis. Paper presentation at the sixth International Conference on Ambulatory Monitoring of Physical Activity and Movement, Maastricht, Netherlands.
- Morris, B., Helmuth, T., Giordano, G., & Bryan, A. (May, 2019). Changes in TNF- α , IL-6, and IL-18 Predict Depression Following a 16-Week Exercise Intervention in Older Adults. Poster presented at the Association for Psychological Science Convention, Washington, DC.
- Stevens, C.J., Montanaro, E.M., & Bryan, A.D. (March, 2019). Values Consistent Action Provides Additional Explanatory Power to the Theory of Planned Behavior: Value Added by Adding Values. Poster presented at the 40th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington, DC.
- Caldwell, A.E., Hill, J., Masters, K., Peters, J.C., Bryan, A.D., Wyatt, H., Schneider, K.M. (March, 2019). Exercise Self-Identity as a Predictor of Weight Loss and Intervention Target – A Pilot Study. Poster presented at the 40th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington, DC.
- Gust, C.J., & Bryan, A.D. (March, 2019). Manipulating Motivation: Effects of Videos Targeting Intrinsic Versus Extrinsic Regulation on Exercise Performance. Poster presented at the 40th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington, DC.
- Bryan, A.D. & Gardiner, C.K. (November, 2018). Efficacy of incentive interventions for diet and physical activity: The role of motivation. Invited presentation at the Behavioral Science and Health Symposium UPenn Center for Health Incentives and Behavioral Economics, Philadelphia, PA

- Martin-Willett, R, Helmuth T, Bryan, AD, Abraha, M, Lee, K, Hitchcock, LN, Bidwell, LC. (November, 2018). Validation of a Dynamic, Accessible, Multi-Substance Online Timeline Followback Assessment. Poster presented at the 4th Annual CORE Network Conference, Boulder, CO
- YorkWilliams, SL, Mueller, R, Hutchison, KE, Bryan, AD, Hitchcock, LN, Bidwell, LC. (November, 2018). Exploring the Relationship Between Gender and THC Levels Following Ad Libitum Cannabis Intoxication. Poster presented at the 4th Annual CORE Network Conference, Boulder, CO
- Mueller, R, YorkWilliams, SL, Bidwell, LC, Helmuth, T, Bryan, AD, Hutchison, KE. (November, 2018). A Genetic Variant of Fatty Acid Hydrolase (FAAH) Influences Circulating Anandamide After Ad Libitum Use of High Potency Cannabis. Poster presented at the 4th Annual CORE Network Conference, Boulder, CO
- Napolitan, A, YorkWilliams, SL, Helmuth, T, Hutchison, KE, Bidwell, LC, Bryan, AD. (November, 2018). Evaluating the Acute Effects of Cannabis on Working Memory in Heavy, Moderate, and Light Drinkers. Poster presented at the 4th Annual CORE Network Conference, Boulder, CO
- Ellingson, JM, Bidwell, LC, Karoly, HC, Mueller, R, YorkWilliams, S, Hagerty, SL, Bryan AD. & Hutchison, KE. (November, 2018). Preliminary Data on the Relationship Between Cannabinoids and Peripheral Cytokines Immediately After Cannabis Use. Poster presented at the 4th Annual CORE Network Conference, Boulder, CO
- Hansen, NS, Thayer, RE, Feldstein Ewing, SW, Sabbineni, A, & Bryan, AD (November, 2018). An fMRI Investigation of Sexual Decision Making in High Risk Adolescents. Symposium to be presented at the 52nd Association for Behavioral and Cognitive Therapies (ABCT) Convention, Washington, DC.
- Alhouti, L, Mueller, R, YorkWilliams, SL, Bryan, AD, & Bidwell, LC. (October, 2018). Effects of Different Concentrations of Cannabis on Maximum Heart Rate. Poster presented at the University of Colorado Boulder Research and Innovation Week, Boulder, CO.
- Napolitan, A, YorkWilliams, SL, Helmuth, T, Hutchison, KE, Bidwell, LC, Bryan, AD. (October, 2018). Evaluating the Acute Effects of Cannabis on Working Memory in Heavy, Moderate, and Light Drinkers. Poster presented at the University of Colorado Boulder Research and Innovation Week, Boulder, CO.
- Zambrano Garza E, Ma W, Helmuth T, Giodano G, Martin-Willett R, Bryan A. (October, 2018). Physical performance and psychological outcomes of an exercise intervention in older adults. Poster presented at the University of Colorado Boulder Research and Innovation Week, Boulder, CO.
- Bryan, AD., YorkWilliams, S., Gillman, AS, Gust, CJ, Giordano, G., Helmuth, TB, Bidwell, LC, & Hutchison, KE. (July, 2018). Does cannabis use facilitate exercise behavior among older adults? Results from a supervised exercise intervention. Paper presented at the 28th Annual International Cannabinoid Research Society Symposium on the Cannabinoids, Leiden, Netherlands.
- Ostendorf, D.M., Snell-Bergeon, J.K., Lande, J., Baron, A., Bryan, A.D., Schmiede, S.J., Comstock, D., Melanson, E.L., Catenacci, V.A. (June, 2018). Optimal Level of Objectively Measured Physical Activity for Long-Term Weight Loss. Poster presented at the 2018 Annual Meeting of the American College of Sports Medicine, Minneapolis, MN.
- YorkWilliams, S.L., Hagerty, S.L., Ellingson, J., Bryan, A., & Hutchison, K.E. (June, 2018). Preliminary results on harm-reduction focused treatment for alcohol use disorder in treatment seeking adults. Poster presented at the Research Society on Alcoholism Annual Meeting, San Diego, CA.
- Bryan, A.D., YorkWilliams, S., Gust, C., & Gillman, A.S. (May, 2018). The new runners' high? Possible linkages between cannabis and exercise participation and performance. Paper presented at the 2018 Sports, Cardiovascular and Wellness Nutrition Annual Symposium, Keystone Resort and Conference Center, Keystone, CO.
- Bryan, A.D. (April, 2018). From Behavior to Biology and Back Again: Linkages between Physical Activity, Neurocognition and Genomics. Invited presentation at the New Frontiers in Lifestyle Intervention meeting sponsored by Northern Arizona University and the Phoenix Biomedical Campus, Phoenix, AZ.
- Bryan, A.D., Gillman, A.S., Gardiner, C.K., & Koljack, C.C. (March 2018). Testing Behavioral Linkages to Breast Cancer Risk via DNA Methylation: Fitness, BMI, Diet and Exercise Behavior Change. Presented during a symposium "From

behavior to biology: Exploring linkages between health and risk behavior and biomarkers of disease processes.” (A. Bryan and R. Ferrar, symposium co-chairs) at the 39th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA..

Gardiner, C. K., YorkWilliams, S., Bennett, G., Helmuth, T., Davis, A. E., Giordano, G. R., & Bryan, A. D. (March, 2018). Enhancements in cardiovascular fitness and cognitive, social, and emotional function following exercise in older adults. Poster presented at the 39th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.

YorkWilliams, S., Gust, C., Gillman, A.S., & Bryan, A.D. (March, 2018). The New Runner's High?: Examining Relationships between Cannabis Use and Exercise Behavior in Colorado. Poster presented at the 39th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.

Teaching and Mentoring

Undergraduate Honors Students

University of Colorado:

Elyse Manteris, Committee Chair, Graduated summa cum laude, Completed PhD in School Psychology at the University of Northern Colorado.

Jacquelyn Frazier, Committee Chair, Graduated cum laude, Completed MS Degree in Health and Wellness at Colorado State University

Russell Jackson, Committee Co-chair, Graduated magna cum laude, PhD from University of Texas at Austin, Currently Associate Professor of Psychology and Communication Studies at the University of Idaho

Siobhan Barros, Committee Chair, Graduated summa cum laude

Stacey French, Committee Chair, Graduated magna cum laude, completed M.A. in Forensic Science from George Washington University

Erica Sandman, Committee Chair, Graduated cum laude, completed M.A. in Psychology at Brandeis University, currently Senior Evaluation Specialist at The Evaluation Center at the University of Colorado Denver

Jonathan Gassaway, Committee Co-Chair, Graduated cum laude, Currently a PsyD student at Argosy University, studying Clinical Psychology with a focus on Sport and Exercise Science

Thomas Fuller-Rowell, Committee Chair, Graduated summa cum laude, Obtained PhD in Developmental Psychology from Cornell University, Currently Associate Professor of Human Development and Family Studies at Auburn University

Margaret Freeland Braun, Committee Chair, Graduated summa cum laude, Obtained PhD from Portland State University, Currently Research Analyst, Oregon Youth Authority

Sunnee Hoppe, Committee Chair, Graduated magna cum laude

Sarah Skolout, Committee Chair, Graduated magna cum laude, Obtained degree as a Doctor of Naturopathy at Bastyr University, currently a Naturopathic physician at the Riverwalk Natural Health Clinic and Natural Pharmacy in Edwards, Colorado

Brian R. Doyle, Committee Chair, Graduated cum laude

Melissa Jo Painz, Committee Chair, Graduated summa cum laude, Obtained PhD in Sociology at the University of Colorado

Angela Hendricks, Committee Chair, Graduated summa cum laude, Obtained an MA in forensic psychology from the University of Denver

Christine Kelley, Committee Chair, Graduated cum laude, currently obtaining M.A. in counseling

Heather Morris, Committee Chair, Graduated cum laude, Obtained PsyD in Clinical Psychology from University of Denver, Emphasis in forensic behavior, Currently part-time professor at the Metropolitan State University

Melissa Anderson, Committee Chair, Graduated magna cum laude

Teni Davoudian, Committee Chair, Graduated summa cum laude, Obtained a PhD in Clinical Psychology at Marquette University

Jamie L. Johnson, Committee Chair, Graduated cum laude, Obtained a PsyD

Melanie Miller, Committee Chair, Graduated summa cum laude

Margaret Shean, Committee Chair, Graduated magna cum laude

Ross Kalsow, Committee Chair, Graduated magna cum laude, former Professional Research Assistant, CUChange Lab University of Colorado Boulder, currently obtaining teaching degree

Sarah Tamura, Committee Co-Chair, Graduated magna cum laude

Jennifer Scheideler, Committee Chair, Graduated summa cum laude, Completed a Postbac Intramural Research Training Fellowship at the National Cancer Institute, Completed MPH and MPP degrees at Johns Hopkins University

Layne Perkins, Committee Chair, Graduated magna cum laude

Aran Kagen, Committee Chair, Graduated magna cum laude

Claire Koljack, Committee Chair, Graduated magna cum laude, former Professional Research Assistant at CUChange, Completed Medical School at Anschutz School of Medicine at the University of Colorado Denver; Currently a Psychiatry Resident at Columbia University Irving Medical Center

Dominique Pataroque, Committee Chair, Graduated summa cum laude

Alida Eide, Committee Chair, Graduated magna cum laude

Elizabeth Zambrano Garza, Committee Chair, Graduated magna cum laude, former Professional Research Assistant at CUChange, currently PhD candidate in Health Psychology at the University of British Columbia

Preston Godkin, Committee Co-Chair, Graduated magna cum laude

Benjamin Morris, Committee Chair, Graduated summa cum laude

Audre Greer, Committee Chair, Graduated summa cum laude

Angela Lankenau, Committee Chair, Graduated summa cum laude, Currently Clinical Research Coordinator, Department of Psychiatry | CHAOS Lab, University of Colorado Anschutz Medical Campus

Tanja Gens, Committee Chair, Graduated summa cum laude

Cassandra Blew, Committee Chair, Graduate summa cum laude, Currently Post-Baccalaureate Intramural Research Training Award Fellow, National Institute on Aging/National Institutes of Health

University of New Mexico:

Tiffany Callahan, Committee Chair, Graduated summa cum laude, former lab manager, CUChange, Obtained Masters and PhD in Biostatistics at CU Denver

Stefanie Draper, Committee Chair, Graduated summa cum laude

Lori Lavasek, Committee Co-Chair, Graduated magna cum laude

Graduate Students

University of Colorado:

Heather LaChance, Committee Co-Chair, PhD granted 5/04, completed predoctoral clinical internship and postdoc at Brown University; currently in private practice

Amanda Mahaffey, Committee Chair, M.A. granted 12/01, PhD granted 5/06, completed Postdoctoral Research Fellowship at Centro de Investigação e Intervenção Social in Lisbon, Portugal. Currently Adjunct Instructor, University of Colorado Boulder.

Courtney Rocheleau, Committee Chair, M.A. granted 12/02, PhD granted 5/05, currently Professor of Psychology at Metropolitan State University of Denver, Colorado

Gregory Webster, Committee Chair, PhD granted 5/06, completed quantitative postdoc at the University of Illinois at Champagne-Urbana, currently Professor of Psychology at the University of Florida

Michelle Broaddus, Committee Chair, M.A. granted 12/05, PhD granted 5/08, currently Associate Professor at the Center for AIDS Intervention Research, Medical College of Wisconsin.

Bethany Matthews Kwan, Committee Chair, M.A. granted 12/08, PhD granted 5/10, currently Research Associate/SAFTINet Project Manager, Research Associate Professor, Colorado Health Outcomes Program, University of Colorado Anschutz School of Medicine

Erika Montanaro, Committee Chair, PhD granted 5/14, completed postdoctoral fellowship, Yale University, currently Associate Professor at the University of North Carolina – Charlotte

Courtney Stevens, Committee Chair, M.A. granted 5/12, PhD Granted 5/17, completed predoctoral clinical internship at Brown University, completed postdoctoral fellowship at Dartmouth College, currently Assistant Professor of Psychiatry at Geisel School of Medicine, Dartmouth College

Rachel Thayer, Committee Co-Chair, M.A. granted 8/13, completed predoctoral clinical internship at University of California, San Diego, PhD granted 5/18, completed postdoctoral research fellowship, University of California, San Diego, currently Assistant Professor at University of Colorado Colorado Springs

Casey Gardiner, Committee Chair, M.A. granted 5/16, PhD granted 5/18, currently a Behavioral Economist, Google.

Arielle Gillman, Committee Chair, M.A. granted 12/16, PhD granted 5/18, MPH from Johns Hopkins University granted 5/19, completed postdoctoral fellowship at NCI/NIH, currently Program Director at the National Institute on Minority Health and Health Disparities

Natasha Hansen, Committee Chair, M.A., granted 12/16, PhD granted 5/21, completed Postdoctoral Research Fellowship at Stanford University School of Medicine, currently Clinical Assistant Professor, Indiana University Bloomington

Charleen Gust, Committee Chair, M.A. granted 12/20, PhD granted 5/23, currently Postdoctoral Research Associate, Institute of Behavioral Science, University of Colorado Boulder.

Laurel Gibson, Committee Chair, M.A. granted 8/21, PhD granted 5/23, currently completing MPH from Johns Hopkins University as part of the Cancer Prevention Postdoctoral fellowship at NCI/NIH

Emily Kramer, Committee Chair, M.A. granted 5/23, Dissertation in progress

Yumeng (Margy) Chen, Committee Chair, Masters thesis in progress

University of New Mexico:

Ann Caldwell, Committee Chair, M.A. granted 3/09, PhD granted 5/13, currently Assistant Research Professor, University of Colorado Denver Anschutz School of Medicine

Jenny Rinehart, Committee Co-Chair, PhD granted 5/12, completed postdoctoral fellowship at Johns Hopkins University, Currently lecturer at University of California Irvine

Erika Montanaro, Committee Chair, M.S. granted 8/11; transferred with advisor to CUBoulder (see above)

Postdoctoral Research Associates

Carolyn Aibel, Ph.D., University of Colorado, 2004 – 2006; currently in private practice

Sarah Schmiedege, Ph.D., Arizona State University, 2005 – 2008; currently Research Associate Professor at the University of Colorado at Denver.

Sara Anne Tompkins, Ph.D., Colorado State University, 2006 – 2008; currently Evaluation Coordinator and Instructor at Colorado State University

Renee Magnan, Ph.D., North Dakota State University, 2008 – 2012; currently Associate Professor at Washington State University, Vancouver

Christian Hendershot, Ph.D., University of Washington, 2009 – 2011, currently Associate Professor at University of Toronto

Joshua Tybur, Ph.D., University of New Mexico, 2009 – 2011; currently Associate Professor at VU University Amsterdam

Ashley Brock Baca, PhD, University of Texas at Austin, 2010 – 2011; currently Project Manager at Colorado Office of Behavioral Health.

Carillon Skrzyński, PhD, Carnegie Mellon University, 2020 – present

Early Career Faculty Mentees

Heather Leach, PhD, Associate Professor of Health and Exercise Science, College of Health and Human Sciences, Colorado State University
Danielle Ostendorff, PhD, Post-Doctoral Fellow, University of Colorado Denver - Anschutz Medical Campus

Graduate Student Committees

University of Colorado:

Vyga Kaufman, Clinical, Committee Member, PhD granted 6/08
Arnica Buckner, Clinical, Committee Member, PhD granted 4/07
Lucy Trenary Smith, Clinical, Committee Member, PhD granted 4/07
Meredith Pung, Clinical, Committee Member, PhD granted 5/04
Patricia Sikora, Social, Committee Member, PhD granted 5/02
Lisa Kreber, Behavioral Neuroscience, Committee Member, Comps exam passed 11/03, PhD granted 5/05
Benjamin Greenwood, Kinesiology, Committee member, Comps exam passed 4/03
Kathryn Robinson, Kinesiology, Committee co-chair, M.S. granted 12/02
Cory Portnuff, Speech and Hearing Sciences, Committee member, Comps passed 2/09, PhD granted 12/11
Holen Katz, Social, Committee member, Comps passed 4/11, PhD granted 5/12
Jessica Lundsford-Avery, Clinical, Committee member, PhD granted 5/13
Angela Li, Clinical, Committee member, M.A. granted 8/13, PhD granted 5/16
Hollis Karoly, Clinical, Committee member, M.A. granted 8/13, PhD granted 5/18
Sara Blaine, Behavioral Neuroscience, Committee member, PhD granted 5/14
Daniel Leopold, Clinical, Committee member, M.A. granted 5/14
Julia Sobesky, Behavioral Neuroscience, Committee member, Comps passed 5/14, PhD granted 7/15
Chris Schaeffbauer, Computer Science, Committee member, PhD granted 5/16
Amanda Willis, Behavioral Genetics, Committee member, PhD granted 5/15
Lauren Landy, Clinical, Committee member, PhD granted 12/17
Sarah Hagerty, Clinical, Committee member, M.A. granted 5/16, PhD granted 5/20
Sophie YorkWilliams, Clinical, Committee member, M.A. granted 5/16, PhD granted 8/21
Jessica Keating, Social, Committee member, PhD granted 8/17
Emma Johnson, Behavioral Genetics, Committee member, PhD granted 8/17
Kyle Brown, Behavioral Neuroscience, Committee member, Comps passed 9/18, PhD granted 5/19
Marley Olson, Sociology, Committee Member, PhD granted 5/22
Miriam Clayton, Social, Committee Member, Comps passed 3/21
Cynthia Villanueva, Clinical, Committee Member, M.A. granted 5/21
Ashley Masters, Clinical, Committee Member, M.A. granted 10/22
Renee Martin-Willett, Clinical, Committee Member, M.A. granted 5/22; Dissertation in Progress
Stevi Ibonie, Clinical, Committee Member, M.A. granted 12/22
Sheba Aikawa, Social, Committee Member, Masters in Progress
Sarah Coffin, Social, Committee Member, Masters in Progress
Chelsea Taylor, Social, Committee member, Comps in progress

University of New Mexico:

Christine Apgar-Garver, Evolution and Development, PhD granted 5/08
Erica Quinn Montague, Clinical, Comprehensive Committee, Comps passed 11/08
Erin Tooley, Evolution and Development, Comprehensive Committee, Comps passed 11/08
Jennifer Harriger, Evolution and Development, Committee Member, PhD granted 5/09

Joshua Tybur, Evolution and Development, Committee Member, PhD granted 8/09
 Melissa L. Franklin, Biology Department, Committee Member, PhD granted 5/10
 Kevin Hallgren, Clinical, Committee Member, M.A. granted 12/10
 Brenna Greenfield, Clinical, Committee Member, M.A. granted 5/10
 Erica Nason, Clinical, Committee Member, Comps passed 5/11, PhD granted 7/15
 Paulette Christopher, Clinical, Committee Member, PhD granted 8/11
 Shirley Smith, Clinical, Committee Member, M.A. granted 5/11
 Sara Blaine, Clinical, Committee Member, M.A. granted 5/11
 Katherine Belon, Clinical, Committee Member, M.A. granted 12/11
 Masato Nakazawa, Quantitative, Committee Member, PhD granted 8/11
 Lisa Hagen Glenn, Clinical, Committee Member, PhD granted 5/13
 Marita Campos-Melady, Clinical, Committee Member, PhD granted 5/13
 Jennifer Crawford, Clinical, Committee Member, PhD granted 8/16
 Bern Dealy, Economics, Committee Member, PhD granted 8/16
 Ryan Ross, Clinical, Committee Member, M.A. granted 5/18

Other:

Dylan S. Fincham, Stellenbosch University, South Africa, DPhil in Psychology granted 9/08
 Heather Sipsma, outside reader, Yale University, PhD in Epidemiology granted 12/10
 Enoch Teye-Kwadjo, Stellenbosch University, South Africa, DPhil in Psychology granted 9/14
 Stefan Gruijters, Maastricht University, Netherlands, DPhil in Psychology granted 5/18
 Danielle Ostendorf, Anschutz School of Medicine, University of Colorado Denver, PhD in Epidemiology granted 5/18

Courses Taught

In the past, I have taught:

Introductory Psychology – University of Colorado
 Introductory Statistics - Arizona State University
 Social Psychology - University of Connecticut, University of Colorado
 Research Methods – University of New Mexico, University of Colorado
 Honors Research Methods - University of Colorado
 Health Psychology (upper division Undergraduate) - University of Colorado
 Health Psychology (Graduate) - University of Colorado, University of New Mexico
 Social Psychology Graduate Proseminar - University of Colorado
 Social Psychology Research Methods (Undergraduate) - University of Colorado
 Social Psychology Research Lab (Undergraduate) – University of New Mexico
 Experimental and Quasi-Experimental Design (Graduate) - University of New Mexico, University of Colorado
 Social Psychology (Graduate) – University of New Mexico
 Structural Equation Modeling (Graduate) – University of Colorado
 Advanced Research Methods (Graduate) – University of Colorado

At the undergraduate level, I am prepared to teach:

- | | |
|---------------------------|-----------------------------|
| • Introductory Statistics | • Research Methods |
| • Advanced Statistics | • Introductory Psychology |
| • Social Psychology | • Evolutionary Psychology |
| • Health Psychology | • Applied Social Psychology |

At the graduate level, I am prepared to teach:

- ANOVA
- Correlation and regression
- Structural equation modeling
- Research Methods
- Health Psychology
- Evolutionary Psychology
- Social Psychology

Service

Editorial Boards

Senior Associate Editor, *Annals of Behavioral Medicine*, 2022 – present

Associate Editor, *Health Psychology Review*, 2018 – present

Editorial Board, *Journal of Personality and Social Psychology: Personality Processes and Individual Differences*, 2015 – 2020

Associate Editor, *Annals of Behavioral Medicine*, 2010 – 2022

Principal Reviewer, *Health Psychology*, 2010 – 2012

Associate Editor, *AIDS and Behavior*, 2006 – 2020

Editorial Board, *AIDS and Behavior*, 2005 - 2006

Editorial Board, *Health Psychology*, 2000 - 2006

Editorial Board, *Women in Sport and Physical Activity Journal*, 2001-2002

Grant review/Service

Reviewer, National Institutes of Health, ZRG1 IVBH-G (55) R; PAR-23-122: Research With Activities Related to Diversity (ReWARD) – 1 (October 2023)

Reviewer, National Cancer Institute Research Technology & Contract Review Branch, DEAU01 – Cannabis Use During Treatment (RFA-CA-22-052), 2023/08 ZCA1 TCRB-V (A1) (May 2023)

Ad hoc grant reviewer, Swiss National Science Foundation (July 2022)

Ad hoc member, Center for Scientific Review (NIH), ZRG1 HDM-L (90) S, Special Emphasis Panel, Health Services Organization, Delivery, Quality and Effectiveness (February 2022)

Ad hoc reviewer, Center for Scientific Review (NIH) Molecular, Cellular and Developmental Neuroscience Integrated Review Group, Neural Oxidative Metabolism and Death Study Section (February 2022).

Data and Safety Monitor, A Novel Values-based Intervention to Increase Endocrine Therapy Adherence among Breast Cancer Survivors (the REACH study), 1R21CA218723-01A1, PI: J. Arch. (August 2019 to 2021)

Ad Hoc Member, Population and Public Health Approaches to HIV/AIDS Study Section, (July, 2020)

Chair, Special Emphasis Panel, AIDS and Related Research Special Topics, ZRG1 AARR-K (96), (April, 2018).

Chair, Special Emphasis Panel for Member Conflicts, AIDS and AIDS Related Research Panel, ZRG1

AARR-F (02) M (March, 2018)

Member, NIMH HIV/AIDS Center Grant Review (P30, T32), ZMH1 ERB-M (02) V, (December 2017)

Member, Special Emphasis Panel, AIDS and AIDS Related Research Panel, ZRG1 AARR-F (92), (December, 2016)

Member, Special Emphasis Panel, Fundamental Mechanism of Affective & Decisional Processes in Cancer Control, ZCA1 SRB-J (J1) S (November, 2016).

Member, Special Emphasis Panel, Harnessing Big Data to Halt HIV/AIDS, ZRG1 AARR-F (92) S (July 2016).

Technical reviewer for the Pac-12 Student-Athlete Health and Well-Being Grant program (April, 2016)

Member, Special Emphasis Panel, AIDS and AIDS Related Research Panel, ZRG1 AARR-F (92), (March 18, 2015)

Ad Hoc Reviewer, Behavioral and Social Science Approaches to Preventing HIV/AIDS (BSPH) Study Section, (November 9, 2015)

Member, RFA Review Panel, Review of Grants submitted to RFA: Processes in Cancer Control, NIH/NCI, ZCA1 TCRB-Y J3 S, (October 14, 2015)

Chair, Special Emphasis Panel, ZRG1 AARR-C (58), PAR-13-182: Drug Abuse Dissertation Research, (July 8, 2014)

Member, Member Conflict Panel, ZRG1 AARR-G (02), AIDS and AIDS Related Research (August 1, 2013; ZRG1 AARR-F (02), July 29, 2015; ZRG1 AAFF-F (03), July 29, 2015; ZRG1 AARR-F, March, 2016)

Member, Clinical Trials Units for NIAID Networks, ZAI1 RRS-A (S2) [July 13, 2013] and ZAI1 RRS-A (S3) [July 19, 2013]

Member, Special Emphasis Panel NIDA B/START Small Grant Review (ZDA1 GXM-A 05 1, March 07, 2012; April 2, 2013)

Member, Special Emphasis Panel/Scientific Review Group 2009/10 ZRG1 BBBP-L (58) R and ZRG1 BBBP-J 58 R, RFA-OD-09-003. (NIH Challenge Grants; August 2009).

Member, Review of Fellowships for Training in HIV Research, NIH Center for Scientific Review. (ZRG1 AARR-C (22) L; March 18-19, 2009); (ZRG1 AARR-H (22) L; July 28-29, 2009); (ZRG1 AARR-H (22) L; December 2-3, 2009); (ZRG1 AARR-H (22)L; October 28-29; 2010)

Methodology and Measurement in the Behavioral and Social Sciences, NIH Center for Scientific Review. (Member, ZRG1 BBBP-C 52; February 20, 2009); (Co-Chair, ZRG1 AARR-F Special Emphasis Panel; May 20-21, 2009); (Member, ZRG1 BBBP-D (52) R; February 22, 2010);

(Committee Chair, ZRG1 AARR-F (52) R; June 10-11, 2010), (Committee Chair, ZRG; February 21, 2011); (Member, ZRG, December 19, 2013).

Chair, Special Emphasis Panel (ZRG1 AARR-F(53)), NIH Center for Scientific Review, A-Start Applications. (November 25-26, 2008).

Member, NIDDK Special Emphasis Panel (ZDK1-GRB8-O1) reviewing obesity-related clinical R03 applications. (July 21, 2006).

Member, National Institutes of Health, Behavioral and Social Science Approaches to Preventing HIV/AIDS (BSPH) study section (July 2004 – July 2008).

Member, NIDA Special Emphasis Panel: Hurricane Katrina Grants (December 16, 2005).

Member Conflict Special Emphasis Panels, National Institutes of Health. ZRG1 AARR-G (08) M, Behavioral and Social Sciences Approaches to Preventing HIV/AIDS study section (October 25, 2009). ZRG1 AARR-F (08) M, Behavioral and Social Consequences of HIV/AIDS (November 17, 2009). ZRG1 AARR-F (03) M, (March 29, 2010, April 1, 2010).

Ad Hoc Reviewer for National Institutes of Health, Behavioral and Social Consequences of HIV/AIDS (BSCH) study section (November 7, 2003).

Ad Hoc Reviewer for National Science Foundation, Social Psychology Program, (April, 2009; September, 2012; October, 2014)

Ad Hoc Reviewer for National Institutes of Health, Behavioral and Social Science Approaches to Preventing HIV/AIDS (BSPH) study section (July 22-23, 2003; March 18-19, 2004).

External grant review, Center for HIV Intervention and Prevention Seed Grant Competition (September, 2002)

Ad Hoc Reviewer for National Institutes of Health, AIDS and Related Research (AARR8) study section (November 17, 1998; July 19, 1999)

External grant review, service as Behavioral Scientist in the review of HIV prevention continuing grants, Centers for Disease Control and Prevention, Atlanta, Georgia (November 12-16, 1996).

Peer grant reviewer, Life Sciences subcommittee, Graduate Research Support Office, Associated Students of Arizona State University (October 1995 - December 1995).

Ad hoc journal review

American Journal of Public Health
Journal of Personality and Social Psychology
Personality and Social Psychology Bulletin
Journal of Adolescence
Health Education and Behavior
Personal Relationships
Psychology of Women Quarterly

Health Psychology
Journal of Applied Social Psychology
Psychological Methods
Journal of Consulting and Clinical Psychology
Psychological Bulletin
Evolution and Human Behavior
Annals of Behavioral Medicine

Contemporary Psychology
British Journal of Health Psychology
Journal of Health Psychology
Psychology and Health
Addictive Behaviors

American Journal of Community Psychology
Journal of Behavioral Medicine
Social Science and Medicine
Journal of Studies on Alcohol and Drugs
Psychological Science

National Service

Mentor/Instructor, 2024 Society of Behavioral Medicine Peer Review Academy, Member of organizing and planning committee and instructor at SBM 2024 Conference Sessions, June 2023 - present

Member, *Subgroup 1: Specifying What a Health Behavior Theory Should Do and How It Can Get There*, NIH Health Behavior Theories Project, May 2023 - present

Senior Co-Chair on the Society of Behavioral Medicine's Theories and Techniques of Behavior Change Interventions Special Interest Group, May 2021 – May 2023

Invited Member, Committee on Applying Lessons of Optimal Adolescent Health to Improve Behavioral Outcomes for Youth. The National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, The Board on Children, Youth, and Families. May 2019 – March 2020.

Invited Participant, Workshop on Behavioral Economics and the Promotion of Health Among Aging Populations, The National Academies of Sciences, Engineering, and Medicine, June 4-5, 2018, Washington, DC.

Awards committee, APA Division 5, Evaluation, Measurement and Statistics, January 2017, January 2018

Elected Representative of the Evaluation, Measurement, and Statistics section of APA's Division 5. 6/21/16 to present.

Mentor, National Cancer Institute Sandpit Collaborative Meeting to engage Early Stage Investigators in Cancer Prevention and Control Research, Potomac, Maryland, May 10-13, 2016.

Workshop Co-Chair, Behavioral and Psychological Phenotyping to Understand Differences in Physical Activity and Sedentary Behavior Affecting Weight Management, Organized by the National Institute on Diabetes and Digestive and Kidney Diseases (NIH/NIDDK), December 1-2, 2015, NIH Campus, Bethesda, MD.

External member, search committee to select a Branch Chief for the Health Behaviors Research Branch (HBRB), Behavioral Research Program, NIH/NCI, 2015

International Advisory Board of the Theories and Techniques of Behaviour Change Project, funded by the UK's Medical Research Council, 10/14 to 10/19

Advisory Board member, The Center for Translational and Prevention Science (CTAPS) P30 Center of Excellence funded by the National Institute on Drug Abuse, University of Georgia, PI: Gene Brody, 6/14 to 5/19

Guest Associate Editor, *Journal of Cancer Epidemiology*, Special issue "The Front Line of Genomic Translation", 2012

Presentation for the SPH Network, "Working with High Risk Populations", Webinar presented April 18, 2012

Review of abstracts for presentation at the American Psychological Association convention; Division 5 (Measurement and Statistics), December 2011, December 2012, December 2013

External member, search committee to select a Branch Chief for NCI's Science of Research and Technology Branch, 2011

Advisory Panel for the NIH Behavioral and Social Sciences planning for HIV/AIDS; Provided input for the 2013 Trans-NIH Plan for HIV-Related Research. March, 2011.

Representative and founding member, Social Personality and Health (SPH) Network. Race organizer for

the SPSP/SPH 5K Fun Run/Walk 2012, 2013, 2014, 2015, 2017
Advisory Panel for the NIH Behavioral and Social Sciences planning for HIV/AIDS; Provided input for the 2012 Trans-NIH Plan for HIV-Related Research. March, 2010.
Member, Cognitive, Affective, and Social Processes in Health Research Group (CASPHR), Sponsored by the National Cancer Institute 8/09 to present
Invited Expert, Science of Behavior Change meeting, National Institutes of Health, Bethesda, MD., June 2009
Instructor, Summer Institute on Social/Personality Psychology and Health, Sponsored by the National Cancer Institute, Rockville, MD, July 21-23, 2009

University Service

University of Colorado:
Evaluation advisor, CU101 curriculum development committee, 2007
Reviewer for undergraduate UROP and SURF research grant awards, 2004 – 2015
Member, Safety Monitoring Committee, Boulder General Clinical Research Center, 2006-2007
Faculty Advisor to the University of Colorado Health and Wellness Trust Committee, 2012 – 2014
Internal reviewer for Department of Integrative Physiology, ARPAC review, Fall 2018 – Spring 2019
Research Committee, BfitBwell Cancer Exercise Program of the University of Colorado Anschutz Cancer Center, 2021-present
Reviewer, AB Nexus Research Collaboration Grant Program between the University of Colorado Anschutz and the University of Colorado Boulder, April 2022.
Member, Working group to develop interdisciplinary health science-related undergraduate and graduate degrees (led by Drs. Maeda and Adler), October 2023 – present.

Psychology & Neuroscience Department Service

University of Colorado:
Co-Chair, Undergraduate Research Day Committee (1999-2007)
Clinical Faculty Search Committee (2000-2001)
Committee Member, Social Psychology Graduate Admissions Committee (1999-2000, 2000-2001, 2004-2005); Chair, Social Psychology Graduate Admissions Committee (2005-2006); Co-Chair, Social Psychology Graduate Admissions Committee (2017-2018; 2019-2020)
Awards Committee (2004-2005); Chair, Awards Committee (2005-2007), Awards Committee (2019-2020)
Behavioral Genetics Search Committee (2006-2007)
Developmental Neuroscience Search Committee (2011-2012)
Program Director, Social Area (2011-2014)
Class observations of junior faculty teaching (M. Keller, Spring 2012, N. Friedman, Fall 2015, J. Stratford, Fall 2016)
Service on the Departmental Strategic Planning Committee (2012 – 2014)
Committee on Undergraduate Education (CUE; 2012 – 2016)
Tenure and Promotion Committee, Dr. Matthew Keller (Fall 2013)
Merit Review Committee (2014-present)
Promotion Committee, Dr. Irene Blair (Fall 2014)
Psychology Instructor Search Committee (2015-2016)
Presentation to the CU Neuroscience Club (Fall 2015): Transdisciplinary approaches to health behavior: Sex, drugs, and exercise
Associate Chair for Faculty Development, Department of Psychology and Neuroscience (2019 – present)

Psychology and Neuroscience Instructor Search Committee (2019-2020)
Social Psychology Faculty Assistant Professor Search Committee (2019-2020)
Chair, Assistant Professor Search Committee as part of the cross-college Public Health Cluster Hire
(Fall 2023 – present)

University of New Mexico:

Awards committee (2007-2008, 2010-2011)
Class observations of junior faculty teaching (K. Butler, Fall 2007; B. Smith, Spring 2008; E. Yeater, Spring 2009; K. Venner, Fall 2010; J. Vigil, Spring 2011)
Class observations of graduate student teaching (R. Falcon, Fall 2008; T. Margett, Fall 2009; J. Bernard, Spring 2010)
Director, Health Psychology Graduate Program (2008 – 2011)
Colloquium committee (2008-2009)
Policies and Procedures Committee (Fall 2008 – 2011)
Tenure and Promotion Committee; Dr. Elizabeth Yeater (Fall 2009)

Institute of Behavioral Science Service

Research Director, IBS Research Program on Health Behavior (2002-2004)
IBS Health Behavior Program Brown Bag Committee (2001-2004)
IBS Health Behavior Program Distinguished Lecture Series Coordinator (2001-2004)
Social Science Data Analysis Center Oversight Committee (1999-2001)

CASAA Service

Committee on Research and Data Services and Program Evaluation Services (2008)
Steering Committee, CASAA T-32 Training Grant (2010 – 2011)

Selected Community Service Presentations

Bryan, A.D., & Giordano, G. (March, 2023). Cannabis use in cancer patients: Effects on pain, cognition, and quality of life. Presentation to the CannaBuffs; A Cannabis Club at the University of Colorado Boulder.

Bryan, A. (February, 2022). Legalized Cannabis: An overview and focus on implications for obesity. Invited presentation to the Plant Medicine Special Interest Group, CU Anschutz School of Pharmacy.

Bryan, A. & Gibson, L. (November, 2021). Implications of cannabis for obesity-related processes and behaviors: Anecdotes versus data. Invited Presentation for the Institute for Cannabis Research monthly webinar series.

Bryan, A.D., & Skrzynski, C.J. (July, 2021). Use of Legal Cannabis among Older Adults: Harms, Benefits, and Lots of Questions. Presentation to the Carillon Senior Living Community, Boulder, CO.

Bryan, A. (January 2019). Research on the Public Health Impact of Cannabis: Harms, Benefits, and Lots of Questions. Community presentation as part of the Grillo Health Information Center symposium.

Bryan, A. (June, 2016). The Positive Impact of Exercise on the Brain. Presentation at the Town of Erie Senior Center, Erie, CO.

Bryan, A. (November, 2015). The Positive Impact of Exercise on the Brain. Presentation to the

University of Colorado Retired Faculty Association, Boulder, CO.

Bryan, A. (May, 2015). The Positive Impact of Exercise on the Brain. Presentation at the Carrillon Retirement Community, Boulder, CO.

Bryan, A. (May, 2014). Enhancing function in later life: Exercise and functional network connectivity. Presentation at the Frasier Meadows Retirement Community, Boulder, CO. Organized by Dr. Nicole Speer.

Other Professional Activities/Experience Collaboration/Consulting

May 2008 – April 2015 Consultant on intervention design to NIH-funded grant projects of Ralph DiClemente, Emory University Rollins School of Public Health

January 2008 – January 2010 Measurement consultant to NIH and CDC-funded grant projects of Wendee Wechsburg, Research Triangle Institute

July 1999 – December 2011 Data analysis consultant for NIMH-funded grant projects of the Center for Health/HIV Intervention and Prevention, Jeffrey D. Fisher, Ph.D., Center Director and Professor of Psychology, University of Connecticut.

February 1996-January 2000 Data analysis consultant on NIMH grant, "Expressed Emotion in Anxiety Disorders", Diane Chambless, Ph.D., principal investigator and Professor of Psychology, University of North Carolina, Chapel Hill.

May 1998-June 2000 Cross cultural study of the determinants of risky sexual behavior among adolescents in Cape Verde, Africa.

March 1998-June 2000 Intervention evaluation and data analysis consultant for Community Partners in Action's "Beyond Fear" HIV intervention for incarcerated men and women. Connecticut Prison Association, Hartford Connecticut.

Statistical and Methodological Training

Advanced Training

June 10 – 15, 2002: Participant in the American Psychological Association's Advanced Training Institute in Longitudinal Methods, Modeling, and Measurement held in Charlottesville, VA.

March 4 – 8, 2002: Participant in the Fifteenth International Workshop on Methodology of Twin and Family Studies, Institute of Behavioral Genetics, University of Colorado at Boulder. Boulder, CO.

Graduate Training

In formal coursework, I have studied experimental and quasi-experimental design, and statistical methods including structural equation modeling, mediational analysis, and logistic regression. Specific courses are listed below:

Course	Department/Course Number	Instructor
1. Analysis of Variance	Psychology 530	Sanford Braver
2. Correlation and Regression	Psychology 529	Sanford Braver
3. Statistical Methods in Prevention Research	Psychology 591	David MacKinnon
4. Applied Structural Equation Modeling	Sociology 508	Mary Benin
5. Multivariate Analysis of Variance	Psychology 591	Sanford Braver
6. Applied Regression	Statistics 530	Sharon Lohr
7. Applied Sampling Methods	Statistics 598	Sharon Lohr
8. Multivariate Analysis	Psychology 591	Leona Aiken
9. Multivariate Methods	QBA 535	Mark Reiser
10. Structural Equation Modeling	Psychology 591	Stephen West
11. Experimental Methods in Social Psychology	Psychology 600	John Reich
12. Quasi-experimental Methods	Psychology 555	Stephen West

Quantitative Business Analysis

Professional Affiliations

Faculty Fellow, University of Colorado Institute for Cognitive Science, 2011-present

Affiliate, Center for HIV/Health Intervention and Prevention, University of Connecticut, 1999-present

Affiliate, University of Colorado Health Sciences Cancer Center, 2002-2007, 2011-present

Member, University of Colorado Center for Neuroscience, 2004-2007

Faculty, Human Evolutionary Behavioral Sciences, University of New Mexico, 2007-2010

Member, University of New Mexico Health Sciences NCI Funded Cancer Center, 2009-2010

Professional Memberships

International Cannabinoid Research Society, member (2018-present)

American College of Sports Medicine, member (2016-2018)

Social Personality and Health Network, member (2010-present)

Society of Behavioral Medicine, member (2007-present)

Society for Prevention Research, member (2007-2010)

Research Society on Alcoholism, member (2000-2015)

Society of Personality and Social Psychology (2002-present)

American Psychological Association, student affiliate (1995-1997), member (1997-present)

-Affiliated with Divisions 8 (social and personality), 38 (health), and 5 (measurement and statistics)

Human Behavior and Evolution Society, student affiliate (1994-1997), member (1997-2010)

Association for Psychological Science (2005-present)

Western Psychological Association, student affiliate (1992 - 1997)

Preparing Future Faculty (PFF) Program

PFF is a training and experiential program which prepares doctoral students for the roles of research, teaching, and service, faced by faculty members at a variety of institutions. The program at Arizona State selected participants based upon academic merit, and participants received tuition waivers during their second year of participation in the program. I was also a faculty advisor for the Preparing Future Faculty in Psychology program at the University of Colorado.
