

Curriculum Vitae: Daniel F. Doak

Address:

Daniel F. Doak, Dept. of Environmental Studies, University of Colorado Boulder
Boulder, CO 80309-0215. daniel.doak@colorado.edu

Education:

Swarthmore College, Swarthmore, PA. B.A. with Distinction in Biology, Phi Beta Kappa.
May 1983.

University of Washington, Department of Zoology, Seattle, WA. Ph.D. June 1990. P.
Kareiva, Advisor.

Professional Appointments:

Professor and Colorado Chair of Environmental Studies. Environmental Studies
Program, Univ. of Colorado, Boulder, CO. 2012-present

Professor, Dept. Zoology and Physiology. University of Wyoming, Laramie, WY. 2007-
2012

Professor, Ecology and Evolutionary Biology. University of California, Santa Cruz, July
2002 to 2007

Associate Professor, Ecology and Evolutionary Biology. University of California, Santa
Cruz, July 1999 to 2002

Associate Professor, Environmental Studies. University of California, Santa Cruz, July
1997 to July 1999

Assistant Professor, Environmental Studies. University of California, Santa Cruz, July
1991 to July 1997.

Lecturer. Winter 1991. Dept of Zoology, University of Washington.

Environmental Consultant. Sept. 1990 to Jan. 1991. Chambers Group, Santa Ana, CA.
Data analysis and viability modeling of desert tortoise populations.

Lecturer. Winter 1990. Dept of Zoology, University of Washington

Lecturer. Summers 1990, 1989, 1988. San Francisco State University, Wildlands Studies
Alaska Program.

Research Assistant. 1987-1990. University of Washington, Department of Zoology, with
P. Kareiva. Modeling and data analysis, including development of search theory for
conservation applications.

Research Assistant. 1982, 1983. University of Colorado, Institute of Arctic and Alpine
Research, with P.J. Webber.

Awards and Honors:

2020-2021 Outstanding Faculty Mentor Award, Graduate School, CU Boulder

Ecological Society of America Fellow (elected in 2019)

Colorado Chair of Environmental Studies, 2012-present

Fellow, The California Academy of Sciences. Elected October, 2003.

Pepper-Giberson Endowed Chair in Environmental Studies, 1996-1999.

Excellence in Teaching Award, University of California, Santa Cruz, 1995.

Excellence in Teaching Award, Honorable Mention, University of California, Santa Cruz,
2001.

Current Grants:

- UCSC subaward. 2021-2025. California Condor Bi-national Recovery and Reintroduction Program, United States and Mexico. \$46,998
- NPS 2021-2023. Assessing the vulnerability of plant populations in the alpine tundra of Rocky Mountain National Park. \$49,347.
- NSF 1753954. 2018-2023. Collaborative LTREB Research: How Will Local Adaptation and Climatic Extremes Shape Continental-Scale Changes in Distribution and Abundance Under Climate Change? CU budget \$224,995.

Recent Publications:

(^{*}Graduate students in my lab, ^{pd}postdocs in my or other labs, ^{og}Graduates in other labs and universities with whom I have collaborated, ^{ug}undergraduates)
