

Robert O. Poyton, PhD

*Department of Molecular, Cellular, and Developmental Biology, University of Colorado at Boulder
Boulder, CO 80309-0347 ; Phone (303) 492-3823/ email: Robert.Poyton@Colorado.Edu*

EDUCATION:

- B.A.: Biology (Magna Cum Laude, Highest Honors), Brown University, 1966
- PhD: Molecular Biology/Microbiology, University of California, Berkeley, 1971
- Postdoctoral Training: Biochemistry, Cornell University, Ithaca, N.Y.

ACADEMIC POSITIONS:

- 1973-1977: Assistant Professor, Department of Microbiology, University of Connecticut Health Center, Farmington, CT
- 1977-1980: Associate Professor, Department of Microbiology, University of Connecticut Health Center, Farmington, CT
- 1980-1981: Professor, Department of Microbiology, University of Connecticut Health Center, Farmington, CT
- 1979-1981: Visiting Professor, Department of Cell Biology, Yale University School of Medicine.
- 1980-present: Professor, Department of Molecular, Cellular, and Developmental Biology, University of Colorado at Boulder

AWARDS, FELLOWSHIPS, AND HONORS:

- *Sigma Xi*, 1965. Brown University
- *Phi Beta Kappa*, 1966. Brown University
- *A.B. Degree awarded Magna Cum Laude and with Highest Honors in Biology*, Brown University, 1966
- *James Manning Scholar*, Brown University, 1966
- *Pre-doctoral Fellowship*, National Aeronautics and Space Administration (NASA) Pre-doctoral Fellowship, 1966-1969. University of California, Berkeley
- *Pre-doctoral Fellowship*, National Institutes of Health, 1969-1971, University of California, Berkeley
- *Post-doctoral Fellowship*, National Institutes of Health, 1971-1973
- *Flow Lecturer*, British Society of Cell Biology, 1974
- *Elected Member*, New York Academy of Sciences, 1979
- *Established Investigator*, American Heart Association, 1978-1983
- *Career Development Award*, National institutes of Health, 1978-1983 (*declined*)
- *Creative Research Award*, University of Colorado, 1986-1987
- *EMBO Lecturer*, European Molecular Biology Organization, Heidelberg, Germany, 1988
- *Mortar Board Award for Teaching*, University of Colorado, Boulder, 1993
- *Golden Key Honor Society Inductee for Teaching*, 1994

RESEARCH INTERESTS/EXPERTISE

- Genetic and Biochemical Basis of Aging
- Biology of Hypoxia: Oxygen Sensing in Gene expression and Disease
- Molecular Biology of Membrane Structure, Function, and Assembly
- Bioenergetics and Energy Metabolism
- Mitochondria Structure/Function

PROFESSIONAL ADMINISTRATIVE/COMMITTEE EXPERIENCE (selected)

- *Member, Physiological Chemistry Study Section* American Heart Association, , 1978-81
- *Chair, Physiological Chemistry Study Section*, American Heart Association, 1989
- *Member, Physiological Chemistry Study Section*, American Heart Association, 1986-89
- *Member, Biochemistry Panel* , National Science Foundation, 1989-1990
- *Member, Cell Biology Study Section*, American Cancer Society , 1992
- *Member, Program Project Study Section*, National Institutes of Health, 1993
- *Member, Panel on Mitochondrial Dysfunction and Degenerative disease*; National Institutes of Child Health and Development, 1992
- *Member, Panel on Mitochondrial Dysfunction and Aging*, National Institute of Aging, 1993
- *Co-Founder*, Rocky Mountain Yeast Forum, 1993
- *Chair, Diversity Council*, Department of Molecular, Cellular, and Developmental Biology, University of Colorado, 1995
- *Chair, Faculty Evaluation Committee*, Department of Molecular, Cellular, and Developmental Biology, 1994-1995
- *Co-Author, Diversity Plan*, Department of Molecular, Cellular, and Developmental Biology , University of Colorado, Boulder, 1995
- *Departmental Representative for Faculty Governance*, College of Arts and Sciences Council for Faculty Governance, University of Colorado, Boulder, 1995-1998.
- *Member, College of Arts and Sciences Curriculum Committee*, University of Colorado, Boulder 1995-1998
- *Member, Physiological Chemistry Study Section*, National Institutes of Health, 1995-1999
- *Chair, College of Arts and Sciences Curriculum Committee*, University of Colorado, Boulder 1997-1998
- *Member, Executive Committee of the College of Arts and Sciences Council for Faculty Governance*, University of Colorado, Boulder, 1997-1998.
- *Co-Chair, College of Arts and Sciences Core Task Force*, University of Colorado, Boulder, 1997-1998
- *Member, Search Committee for Vice Chancellor for Academic Affairs*, University of Colorado, Boulder, 1997-1998

February, 2013

- *Member, College of Arts and Sciences Core Task Force*, University of Colorado, Boulder, 1998-1999
- *Member, Boulder Faculty Assembly*, University of Colorado, Boulder, 2001
- *Advisory Board, Faculty Teaching Excellence Program*, University of Colorado, Boulder, 2001
- *Resource Person : Committee on Faculty Affairs, Boulder Faculty Assembly*, University of Colorado, Boulder, 2004-present
- *Member, Committee on Privilege and Tenure*: University of Colorado, 2004-2008
- *Departmental Representative, College of Arts and Sciences Council*, University of Colorado, Boulder: 2006-2012
- *Member, College of Arts and Sciences Curriculum Committee*, University of Colorado, Boulder, 2006-2009.
- *Member, College of Arts and Sciences Planning Committee*, University of Colorado, Boulder, 2006-2012.

EDITORIAL BOARDS

- *Journal Supramolecular Structure*, 1978-1981
- *Journal Cellular Biochemistry*, 1981-1997
- *Bioenergetics*, 2011-present

PROFESSIONAL SOCIETY MEMBERSHIPS

- American Association for the American Society of Microbiology Advancement of Science
- New York Academy of Science
- American Society of Biological Chemists
- The Protein Society
- American Society for Cell Biology

CONSULTING

- Apex Bioscience – technical consultant
- Narragansett Brewing Co. – technical consultant
- Columbine Venture Funds – investment/technical consultant
- Receptor Laboratories, Inc. – investment/technical consultant
- Coors Brewery – technical consultant
- Strohtech – technical consultant
- Falstaff Brewing Co. – technical consultant
- International Research Group – investment/technical consultant
- University Science, Engineering, and Technology, Inc. – technical consultant
- Jones and Bartlett Publishers – book consultant
- ADS Software Development – software consultant

February, 2013

- Ingrid DeFranco, Attorney at Law – expert testimony
- Clarimedix – Scientific co-founder and technical consultant (phototherapy)

NON PROFIT BOARDS OF DIRECTORS

Orange Orchard Homeowners Association – President and board member

Heritage Manor Homeowners Association – President and board member

Spring Creek Homeowners Association – President and board member

Hawk Ridge Estates Homeowners Association – President and board member
