

Curriculum Vitae
Emily D. Richardson, Ph.D.

STATE LICENSURE: Colorado # 2351

BUSINESS ADDRESS: Department of Psychology and Neuroscience
345 UCB
(Muenzinger D232A)
University of Colorado
Boulder, CO 80309-0345
Voice: (303) 735-1130
FAX: (303) 492-2967
email: *erichard@colorado.edu*

EDUCATION

B.S. Psychology, University Honors and Magna Cum Laude, Northern Illinois University, DeKalb, IL, 1982.

M.A. Clinical Psychology, University of Iowa, Iowa City, Iowa, 1986.

Ph.D. Clinical Psychology, University of Iowa, Iowa City, Iowa, 1989.

Internship Clinical Neuropsychology, Brown University Internship Consortium, 1989.

Postdoctoral fellowship Adult and Geriatric Neuropsychology, Brown University School of Medicine, 1990.

ACADEMIC APPOINTMENTS

2017-present Associate Clinical Professor, Department of Psychology and Neuroscience, University of Colorado Boulder.

1999-2017 Assistant Research Professor, Department of Psychology and Neuroscience, University of Colorado Boulder.

1993-1998 Associate Research Scientist, Department of Medicine, Yale University School of Medicine.

1990-1993 Assistant Clinical Professor, Department of Psychiatry and Human Behavior, Brown University School of Medicine.

1990-1993 Neuropsychology Track Faculty, Brown University Internship Consortium.

1989-1990 Postdoctoral fellow, Department of Psychiatry and Human Behavior, Brown University School of Medicine.

1987 Course instructor: Introduction to Clinical Psychology. Department of Psychology, University of Iowa.

1983-1987 Research assistant and teaching assistant. Department of Psychology, University of Iowa.

OTHER APPOINTMENTS

2009-present	Director, Brain Behavior Clinic, Department of Psychology and Neuroscience, University of Colorado Boulder, CO.
2011-present	Director, Raimy Training Clinic, Department of Psychology and Neuroscience, University of Colorado Boulder, CO.
1999-2010	Associate Director, Raimy Training Clinic, Department of Psychology and Neuroscience, University of Colorado, Boulder, CO.
1993-1998	Clinical Neuropsychologist, Dorothy Adler Geriatric Center, Yale-New Haven Hospital, New Haven, CT.
1995-1998	Consulting Neuropsychologist, Manchester Memorial Hospital, Manchester, CT.
1995-1998	Consulting Neuropsychologist, Bidwell and Westside Health Care Facilities (ICF), Manchester, CT.
1991-1992	Admissions committee, Neuropsychology Track, Brown University Internship Consortium, Providence, RI.
1991-1993	Staff Neuropsychologist, Neuropsychiatry Program, Butler Hospital, Providence, RI.
1990-1993	Coordinator, Outpatient Neuropsychology Evaluation Clinic, Butler Hospital, Providence, RI.
1990-1993	Consulting Neuropsychologist, Memory and Cognitive Disorders Clinic, The Miriam Hospital, Providence, RI.
1990-1992	Consulting Neuropsychologist, Division of Behavioral Medicine, Department of Psychiatry, The Miriam Hospital, Providence, RI.
1989-1990	Consulting Neuropsychology fellow, Memory and Cognitive Disorders Clinic, The Miriam Hospital, Providence, RI.
1987-1988	Research and clinical associate, Psychology Service, Veterans Affairs Medical Center, Iowa City, IA.
1987-1988	Consulting psychology extern, Child Psychiatry Outpatient Service, University of Iowa Hospitals and Clinics, Iowa City, IA.
1986	Clinical and neuropsychology extern, Veterans Affairs Medical Center, Iowa City, IA.

GRANT SUPPORT

2019-2020 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to Address Homelessness*. University of Colorado Outreach Grant. \$9,000. PI: Emily Richardson.

2018-2019 – Faculty Collaborator, *Psychological Outreach and Research Initiative for Indigenous Communities, Raimy Clinic/CU Upward Bound*, Community Impact Grant, University of Colorado Outreach. \$3,000. Partners: Hector Ramirez, CU Upward Bound, Emily Richardson, Director Raimy Clinic.

- 2018-2019 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to Address Homelessness*. University of Colorado Outreach Grant. \$9,000. PI: Emily Richardson.
- 2017-2018 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to Address Homelessness*. University of Colorado Outreach Grant. \$9,000. PI: Emily Richardson.
- 2016-2017 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to Address Homelessness*. University of Colorado Outreach Grant. \$8,000. PI: Emily Richardson.
- 2015-2016 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to End Homelessness*. University of Colorado Outreach Grant. \$8,000. PI: Emily Richardson.
- 2014-2015 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to End Homelessness*. University of Colorado Outreach Grant. \$8,000. PI: Emily Richardson.
- 2013-2014 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to End Homelessness*. University of Colorado Outreach Grant. \$8,000. PI: Emily Richardson.
- 2012-2013 – Principal Awardee, *Neuropsychological Assessment of Homeless Individuals: Boulder County Ten-Year Plan to End Homelessness*. University of Colorado Outreach Grant. \$8,000. PI: Emily Richardson.
- 2009-2015 Co-Investigator, *Program of excellence in scientifically validated treatments of mood disorders*. NIMH, R25 MH 084774. PI: Mark Whisman. \$149,366.
- 2001-2003 Co-Investigator, *Health-related risk of alcohol use in elderly veterans*. VA Epidemiology Award; Principal Investigator: Cary Reid. \$496,200. Design of cognitive assessment; analysis of cognitive variables.
- 2000-2001 Co-Principal investigator, *Effect of raloxifene and placebo on cognitive function in postmenopausal women: A pilot study*. Lilly Pharmaceuticals. Co-PI: Sally Haskell. \$78,000. Selection of cognitive tests for outcomes assessment, training of research personnel in administration of tests, assisting in analyses and interpretation of outcomes.
- 1999-2000 Principal Investigator, *Visual attention training for at-risk older drivers*. American Federation for Aging Research (AFAR). \$40,000.
- 1996-1998 Principal Investigator, *Cognitive effects of carotid stenosis and endarterectomy*. The Donaghue Medical Research Foundation. \$120,000.

- 1997-1998 Principal Investigator, *Visual attention training for older drivers*. Pilot Project Award, Claude D. Pepper Older Americans Independence Center at Yale University. \$20,000.
- 1995 Principal Investigator, *Cognitive function, self-efficacy beliefs, and behavioral function in the elderly*. Pilot Project Award, Claude D. Pepper Older Americans Independence Center at Yale University. \$7,750.
- 1994-1995 Principal Investigator, *Screening for depression in the cognitively impaired elderly*. Miles Laboratories. \$5,000.
- 1997-1998 Co-investigator, *Physical intervention for at-risk older drivers*. Project Leader: Richard A. Marottoli. Claude D. Pepper Older Americans Independence Center Renewal Grant; Principal Investigator: Mary E. Tinetti. \$616,000. Selection of cognitive tests for selection of subjects, training of research personnel in administration of tests, assisting in analyses and interpretation of outcomes.
- 1995-1998 Co-investigator, *Strategies for the clinical assessment of older drivers*. Alliance for Aging Research/Andrus Foundation. Richard A. Marottoli, Principal Investigator. \$450,000. Selection of cognitive tests for outcomes assessment, training of research personnel in administration of tests, assisting in analyses and interpretation of outcomes.
- 1994-1995 Co-investigator, *Psychosocial intervention in stroke recovery*. NINDS/NIA: 1-RO1-NS/AG 32324.01 Lisa Berkman, Principal Investigator. \$2,161,296. Selection of cognitive tests for outcomes assessment, training of research personnel in administration of tests, assisting in analyses and interpretation of outcomes.
- 1992-1993 Co-investigator, *Quantification of periventricular T₂ hyperintensities on MRI in late-life onset versus early onset depression in the elderly*. Chairman's Award, Brown University Department of Psychiatry. \$20,000. Recruitment and enrollment of subjects, administration of research test battery, analysis of data.
