CENTER DIRECTORSHIP

Colorado Center for Biorefining and Biofuels (C2B2)
Co-founder and CU Site Director, 2006-2017

Center was initiated by Ryan T. Gill and JWM, who recruited Al Weimer as Executive Director. Gill, Weimer, and JWM were responsible for recruiting sponsors, identifying PIs, organizing center structure across the four state Energy Collaboratory institutions (CU, Colorado State University, Colorado School of Mines, and the National Renewable Energy Laboratory), etc.
