About Rennie Harris Grass Roots:

Grass Roots is Rennie Harris's third new street-dance theater company following Rennie Harris Puremovement and Rennie Harris R.H.A.W., and his first rooted in the western region and West Coast. Grass Roots takes on social and political issues and is "inspired by different bodies with dissimilar cultural experiences." The company reflects the diverse composition that is at the core of Rennie Harris, featuring street and classically trained dancers of different ages, gender, and cultural backgrounds.
