## **LIBRARIANSHIP**

---

### **University of Colorado Boulder Leadership, Management, and Metadata Responsibilities**

Direct and coordinate the operations of the Resource Description Services Team, providing oversight and training for 3 faculty librarians and 10 staff. Evaluate effectiveness and efficiency of cataloging procedures to ensure that workflows are both cost-effective and responsive to the needs of other library departments and of library users. Plan, oversee, and/or participate in departmental cataloging or special team projects, catalog maintenance, and other activities as appropriate. Perform original and complex copy cataloging of monographic resources in a variety of formats and languages. Coordinate CU Boulder Libraries’ participation in national cooperative cataloging programs such as the Program for Cooperative Cataloging (PCC) and the Cataloging in Publication (CIP) Cataloging Partnership program. Create and sustain cataloging partnerships with other Libraries departments and units to provide access to material in their collections. Lead and participate in the department’s linked data initiatives. Prior to the Libraries reorganization in 2020, served as Head of the Monographic and Special Materials Cataloging Unit, providing oversight and training for 2 faculty librarians and 14 staff.

#### Leadership/Supervision

- Implemented the creation of the new Resource Description Services Team; assigned team members to their appropriate section; determined team name; recruited and supported section leaders; coordinated the naming of the sections; established meeting cadences for the team and sections, 2020
- Participated in the renovation of N110 work area, offering input on workstation design, coordinating the assignment of staff workspace, and fulfilling equipment needs, 2016-2017
- Coordinated the transfer of cataloging activities from the Government Information Dept. to MSD, 2016

### Cataloging/Metadata

- Reinvigorated CU Boulder's participation in PCC cataloging programs, increasing production of NACO and BIBCO records, 2015-present
- Led CU Boulder's effort to become a member of the CIP Cataloging Partnership Program, in which we act as a virtual Library of Congress cataloging section to catalog forthcoming titles of the University Press of Colorado, University of Utah Press, and University of Nevada Press, 2015
- Trained a Provost Fellow in basic cataloging procedures to catalog Tibetan language gift materials; completed cataloging of the Tibetan language gift materials using brief catalog records initially created by the Provost Fellow, 2017
- Developed procedures for sending outsourced foreign language material to Backstage Library Works for cataloging, 2018
- Participated in the NSIDC Glacier Photograph metadata project, 2018
- Participated in the OCLC Member Merge project, 2018
- Participated in the Chinook reindexing project, 2018
- Participated in the Summon-MARC mapping project, 2019

### Sustaining Cataloging Partnerships

- Co-coordinated the music binders project, in which over 600 volumes were cataloged in one month using primarily music graduate students, 2015
- Coordinated the Music Library retrospective conversion project (approx. 3000-5000), including writing procedures, training, and supervising four copy catalogers, 2016-2017
- Coordinated a project to provide original and complex copy cataloging of LPs and music microforms from the Music Library, 2018-2019
- Oversight of the Music Library Closed Stacks project, 2020-present
- Consulted with the Engineering Library to develop a cataloging template for their newly acquired materials collection, 2016
- Coordinated the development of local rare book cataloging best practices for the SPC Monograph Inventory Project and the Tunebook Project, 2016-2017
- Strengthened the MSD's involvement with the Maps Library by encouraging two staff members with maps cataloging expertise to work there on a weekly basis, 2016-present
- Initiated cataloging processes for the Historical Educational Tests Collection from the School of Education, 2016
- Developed and implemented a process for creating MARC catalog records from ArchiveSpace data for archival collections, 2018-2019

### Linked Data Initiatives

- Initiated Wikidata project for the Women Poets of the Romantic Period collection, eventually folding it into the PCC Wikidata Pilot
  - First phase (approx.. 250 poets) completed Mar. 2021
- Served as practitioner coordinator for the Libraries' involvement in the PCC ISNI pilot project, 2017-2018
- Led the Libraries' efforts as part of the PCC URIs in MARC Pilot, 2020
- Participated in the Libraries' LD4P2 Cohort initiative, 2018-2020

### Continuing Education Support

- Facilitated regular meetings of the Libraries' original catalogers to discuss complex cataloging questions and rules changes and to create local cataloging policies and procedures, 2015-present
- Co-convened periodic copy catalogers meetings to address policies, questions, and issues, provide training, and present updates on current cataloging and linked data trends, 2015-present
- Organized a two-day rare books cataloging workshop (20 participants from various units of the CUB Libraries as well as University of Wyoming, Denver Public Library, and University of Denver, led by Lori Dekydtspotter, Indiana University Bloomington), 2015
- Organized an agile workshop for the Digital Strategies and Library IT Services Chapter led by Kyle Kirves, CUB, 2020
- Conducted NACO training for one staff member and NACO series training for two staff members, 2017-2018

### CU Boulder Libraries Councils, Guilds, Pods, and Communities of Practice Participation

- CU Boulder Cataloging Community of Practice (co-facilitator), 2020-
- Dean's Advisory Council, 2020-2023
- FOLIO Guild, 2020-2023
- FOLIO Governance Guild, 2023-
  - Metadata Management Pod, 2020-2023
    - Facilitator, 2022-2023
  - Single Record Cataloging Subpod, 2021-2023
    - Facilitator, 2022-2023

### CU Boulder Libraries Working Groups

- User Experience Working Group, 2016-2017

### International Working Groups and Councils

### **Indiana University Robert H. McKinney School of Law, Ruth Lilly Law Library Leadership, Management, and Metadata Responsibilities (2001-2014)**

Managed the operations of the Cataloging Department, provided oversight and training for 1-4 staff. Performed original and complex copy cataloging of resources in a variety of formats and languages. Coordinated the Law Library's participation in national cooperative cataloging programs such as the Program for Cooperative Cataloging (PCC). Performed reference and faculty liaison duties. Taught basic legal research as part of the Legal Writing & Bibliography I course.

- Generated a revenue stream for the Law Library from OCLC financial credits earned as a result of my Program for Cooperative Cataloging (PCC) cataloging efforts

- Provided leadership and training for the Law Library's cataloging staff during its migration from the NOTIS online catalog to SIRSI. Performed bibliographic maintenance on several thousand catalog records as a byproduct of the move from NOTIS to SIRSI
- Provided campus-wide leadership, testing, and training for the implementation of the SIRSI Workflows new GL3.1 client, a major update to the previous version of the online catalog software.
- Organized the Technical Services work area after the Law School moved into a new building, developed new work routines to accommodate the new work environment, and oversaw database cleanup efforts attendant to the move
- Accomplished several major cataloging projects, including:
  - completed the retrospective conversion of all print books in the law library
  - completed the cataloging of materials in our Commonwealth Collection and States Collection
  - cataloged the Law School's Program for International Human Rights Law Center's materials
  - cataloged all Hein Online e-journals
  - cataloged all e-books in the Oxford Scholarship Online, BNA Corporate Practice Library, and Hein Online Legal Classics collections
  - cataloged the Law Books Recommended for Libraries and American Law Institute microform sets
  - reclassified international law and international relations books from obsolete JX classification numbers to new JZ/KZ classification numbers
  - reclassified a portion of our United Nations collection into Library of Congress classification numbers
- Created cataloging procedures for books ordered for and donated to the Law School's partner law libraries in Egypt (Cairo and Alexandria), and remotely trained the cataloging staff in these libraries
- Developed a web site for the law library's cataloging department to provide easy access to various cataloging tools and resources and as a central site for housing documentation and training material
- Oversaw Law School faculty submissions into IUPUI ScholarWorks, the campus institutional repository
- Trained a cataloging intern from the IUPUI SLIS program
- Oversaw the withdrawal of tens of thousands of books to create room for new study space
