PROFESSIONAL EXPERIENCE

Boulder County Public Health

Communities that Care Coordinator, 2018- 2023 **Boulder, CO**

As the coordinator of the Communities that Care process in Lafayette, Colorado, responsible for:

- Supporting the Communities that Care coalition members in the development of a community driven prevention plan for Lafayette youth and young adults.
- Building skills of youth and adult coalition members to analyze data and use data to inform coalition priorities and work plans.
- Coalition recruitment
- Managing grant deliverables and project budget.

City Manager’s Office – City of Boulder

Community Partnership Coordinator, 2016- 2018

Responsible for managing, planning, and implementing partnerships with key community agencies and organizations, including University of Colorado, Boulder County, Boulder County Public Health and Boulder Valley School District

- Developed systems and structures to support community-based initiatives that address current and emerging issues in Boulder
- Managed partnerships and relationships with key organizational stakeholders that serve as partners in city’s community engagement work
- Conducted needs assessments, and focus groups to determine priorities and action plans
- Managed community-based education partnerships between academic programs at CU and city departments to further civic-oriented student learning and involvement by college-aged youth

Municipal Court - City of Boulder Boulder, CO

Community Coordinator, 2012 – 2016

Responsible for the creation and maintenance of collaborative programs, partnerships and projects, with CU and other community stakeholders

Developed and managed the AACT (Addressing Alcohol Concerns Together) coalition:

- Recruited a diverse group of key stakeholders and built a cohesive team
- Directed coalition in developing policies and yearly work-plan based on needs-assessment
- In conjunction with coalition members, developed assessment instruments and protocols for testing effectiveness of coalition strategies, activities and projects, and performed data collection and

analysis

- Conducted literature/resource reviews to identify research based best practices for coalition
- Developed and implemented communications strategies, community outreach plans and public/media relations for the coalition

Developed and managed community- and organization-based partnerships:

Developed community outreach and community building programs in collaboration with CU and other community partners. Program examples include:

- The Hill Residential Service District; Day of Service Project for incoming CU students; and student educational and student/neighbor relationship building programs
- In collaboration with CU faculty and staff, developed community-based education and service-learning opportunities for CU students
- Represented city of Boulder on the CU/City Diversity and Inclusion Summit planning committee to align diversity, equity and inclusion efforts between CU and the city of Boulder

City Manager's Office - City of Boulder

Vice Chancellor for Administration - University of Colorado, Boulder Boulder, CO

University Liaison/Assistant to the City Manager, 2008-2012

Assisted City/CU leadership to develop positive relationships and programs to address campus and community needs, including strategy development, problem solving, coordinating communication, public participation and public relations activities.

- Developed and managed interagency and interdepartmental work teams and collaborative projects involving the administration at CU and the city, CU student organizations, and the Boulder community.
- Represented the City Manager's Office in Boulder's town-gown efforts on community work teams, public processes and with the media.
- Developed systems and methods to enhance communication and coordination between CU and city departments and staff.
- Advised and mentored CU student interns

City Manager's Office - City of Boulder

Off Campus Housing and Neighborhood Relations - University of Colorado, Boulder

University Liaison, 2003-2008 Boulder, CO

Developed and implemented programs to support CU students living off campus.

Served as liaison among CU, the city of Boulder and the Boulder community regarding town and gown issues.

- Developed outreach programs and educational tools for University of Colorado students living off campus
- Provided public relations direction to city/CU staff and CU Student Government
- Fostered a positive relationship between CU students and staff and city of Boulder staff and administrators
