

KELLY GILDERSLEEVE, PH.D.

Department of Psychology and Neuroscience
University of Colorado Boulder
Kelly.Gildersleeve@colorado.edu

EDUCATION

- Ph.D. in Social Psychology | University of California, Los Angeles, CA** **2014**
· Minor in Quantitative Psychology, Certificate in Interdisciplinary Relationship Science
- M.A. in Social Psychology | University of California, Los Angeles, CA** **2009**
- B.A. in Psychology | Alma College, Alma, MI** **2006**
· Minor in Art, *Summa Cum Laude*, Honors in Psychology

ACADEMIC EXPERIENCE

- Instructor** | University of Colorado Boulder **Aug. 2020 - Present**
- Pre-health & General Academic Advisor** | University of Michigan **Jan. 2017 - May 2020**
- Assistant Professor of Health Psychology** | Chapman University **Aug. 2016 - Dec. 2016**
- Postdoctoral Research Fellow** | Chapman University **Sept. 2015 - Aug. 2016**
- Faculty Course Coordinator & Instructor** | UCLA Freshman Cluster Program **June 2014 - Sept. 2015**

UNDERGRADUATE TEACHING EXPERIENCE

University of Colorado Boulder

- Instructor, *Psychological Science II: Research Methods in Psychology (Section 200)* **Spring 2021**
- Instructor, *Psychological Science II: Research Methods in Psychology (Section 300)* **Spring 2021**
- Instructor, *General Psychology (Section 005)* **Spring 2021**
- Instructor, *Psychological Science II: Research Methods in Psychology (Section 200)* **Fall 2020**
- Instructor, *General Psychology (Section 001)* **Fall 2020**
- Instructor, *General Psychology (Section 004)* **Fall 2020**

Chapman University

- Instructor, *Psychology of Human Sexuality (Section 1)* **Fall 2016**
- Instructor, *Psychology of Human Sexuality (Section 2)* **Fall 2016**

UCLA

- Instructor, *Sex, Drugs, & Hormones: Social Endocrinology of Sexuality* **Spring 2015**
- Faculty Course Coordinator & Instructor, *Sex: From Biology to Gendered Society* **Winter 2015**
- Faculty Course Coordinator & Instructor, *Sex: From Biology to Gendered Society* **Fall 2014**
- Instructor, *Sex, Drugs, & Hormones: Social Endocrinology of Sexuality* **Spring 2014**
- Graduate Teaching Fellow, *Sex: From Biology to Gendered Society* **Winter 2012**
- Graduate Teaching Fellow, *Sex: From Biology to Gendered Society* **Fall 2011**

- Graduate Teaching Assistant, *Evolution and Pornography* Summer 2011
- Graduate Teaching Assistant, *Social Psychology* Summer 2010
- Graduate Teaching Assistant, *Evolution of Human Sexual Behavior* Fall 2009
- Graduate Teaching Assistant, *Social Psychology Research Methods* Summer 2008

UNDERGRADUATE RESEARCH MENTORSHIP & LAB MANAGEMENT

Graduate Lab Manager | UCLA Social Endocrinology Lab (PI: Dr. Martie Haselton) Jan. 2008 - Aug. 2014

- Coordinated participant recruitment, data collection, budget, and all tasks for social endocrinology lab.
- Hired, trained, and directly supervised teams of 9-12 undergraduate research assistants each semester.
- Led weekly meetings to plan studies, discuss progress of ongoing studies, and critique scholarly articles.
- Mentored over 50 research assistants on graduate school applications, independent research projects and honors theses, conference presentations, and NSF GRFP applications (all 3 were successful).

Mentor | UCLA Summer Programs for Undergraduate Research (SPUR) Summer 2009 & 2010

- Served as mentor in a program supporting students from backgrounds underrepresented in research.
- Mentored two visiting undergraduate summer interns on intensive independent research projects culminating in research papers and conference presentations.
- Provided guidance on professional development and successful graduate school applications.

Mentor | UCLA Interdisciplinary Relationship Science Program Sept. 2008 - June 2009

- Served as mentor in a program supporting students from backgrounds underrepresented in interdisciplinary relationship science research.
- Mentored two UCLA undergraduate students on independent research projects and presentations.
- Provided guidance on professional development and successful medical school applications.

SELECTED SERVICE

- Member, Committee on Undergraduate Education** | University of Colorado Boulder Aug. 2020 - Present
- Member, Advising Coordinator Search Committee** | University of Michigan Feb. 2020 - May 2020
- Co-Editor, Pre-health Newsletter** | University of Michigan Sept. 2019 - May 2020
- Member, Diversity, Equity, Inclusion, & Culture Committee** | University of Michigan Feb. 2019 - May 2020
- Advisor, American Medical Women's Association** | University of Michigan Mar. 2018 - May 2020
- Co-Chair, Student Academic Affairs Assessment Committee** | University of Michigan (Member since April 2017) Aug. 2017 - May 2020
- Advisor, Fleece & Thank You Student Service Organization** | University of Michigan Aug. 2017 - May 2020

Member, Advisor Interview Committee University of Michigan	Sept. 2017 - December 2017
Member, Faculty Search Committee Chapman University	Sept. 2016 - December 2016
Administrator, Psychology Subject Pool Sona Pretesting System UCLA	Aug. 2011 - Aug. 2014

AWARDS AND HONORS

- Honorable Mention for University of Michigan College of LSA Outstanding Staff Team Award, 2019
- Nominated for Sinclair Award for excellence in academic advising, 2018, 2019
- Recipient of UCLA Harold H. Kelley Award for Best Social Psychology Research Paper, 2013
- Recipient of Human Behavior and Evolution Society New Investigator Award, 2013
- Recipient of UCLA Graduate Division Dissertation Year Fellowship, 2012
- Recipient of UCLA Graduate Research Mentorship Fellowship, 2010
- Honorable Mention for National Science Foundation Graduate Research Fellowship, 2009
- Recipient of NSF-IGERT Interdisciplinary Relationship Science Program Traineeship, 2008-2010
- Recipient of NSF-IGERT Interdisciplinary Relationship Science Recruitment Award, 2007
- Recipient of UCLA University Fellowship, 2007

GRANT FUNDING

- Psi Chi Graduate Research Grant, *The Scent of Success*, co-written with Marlise Hofer and Dr. Frances Chen (University of British Columbia), 2014
- UCLA Academic Senate Grant (\$10,000), *Examining Links between Intimate Relationship Quality and Fertility in Humans*, co-written with Dr. Martie Haselton, 2013
- American Institute for Bisexuality Research Grant (\$90,000), *Women's Attraction and Hormone Responses to Other Women's Body Scents*, co-written with Dr. Martie Haselton, 2011
- NSF-IGERT Interdisciplinary Relationship Science Program Research Grant, *Scent Cues of Ovulation*, 2008
- UCLA Psychology Department Master's Thesis Grant, *Scent Cues of Ovulation*, 2008

PUBLICATIONS

Boudesseul, J., Gildersleeve, K. A., Haselton, M. G., & Begue, L. (2019). Do women expose themselves to more health-related risks in certain phases of the menstrual cycle? A meta-analytic review. *Neuroscience & Biobehavioral Reviews*.

Murray, D. R.*, Gildersleeve, K. A.*, Fales, M. R., & Haselton, M. G. (2017). MHC homozygosity is associated with fast sexual strategies in women. *Adaptive Human Behavior and Physiology*, 3, 101-117.

*Shared first-authorship

Gildersleeve, K. A., Fales, M. R., & Haselton, M. G. (2017). Women's evaluations of other women's natural body odor depend on target's fertility status. *Evolution and Human Behavior*, 38, 155-163.

Saphire-Bernstein, S., Larson, C. M., Gildersleeve, K. A., Fales, M. R., Pillsworth, E. G., & Haselton, M. G. (2017). Genetic compatibility in long-term intimate relationships: Partner similarity at Major Histocompatibility Complex (MHC) genes may reduce in-pair attraction. *Evolution and Human Behavior*, 38, 190-196.

Gangestad, S. W., Haselton, M. G., Welling, L. M., Gildersleeve, K. A., Pillsworth, E. G., Burriss, R. P., Larson, C. M., & Puts, D. A. (2016). How valid are assessments of conception probability in ovulatory cycle research? Evaluations, recommendations, and theoretical implications. *Evolution and Human Behavior*, 37, 85-96.

Haselton, M. G. & Gildersleeve, K. A. (2016). Human ovulation cues. *Current Opinion in Psychology*, 7, 120-125.

Fales, M. R., Frederick, D. A., Garcia, J. R., Gildersleeve, K. A., Haselton, M. G., & Fisher, H. E. (2016). Mating markets and bargaining hands: Mate preferences for attractiveness and resources in two national U.S. studies. *Personality and Individual Differences*, 88, 78-87.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2014). Meta-analyses and *p*-curves support robust cycle shifts in women's mate preferences: Reply to Wood and Carden and Harris, Pashler, and Mickes (2014). *Psychological Bulletin*, 140, 1272-1280.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2014). Do women's mate preferences change across the ovulatory cycle? A meta-analytic review. *Psychological Bulletin*, 140, 1205-1259.

Lukaszewski, A. W., Larson, C. M., Gildersleeve, K. A., Roney, J. R., & Haselton, M. G. (2014). Condition-dependent calibration of men's uncommitted mating orientation: Evidence from multiple samples. *Evolution and Human Behavior*, 35, 319-326.

Fales, M. R., Gildersleeve, K. A., & Haselton, M. G. (2014). Exposure to perceived male rivals raises men's testosterone on fertile relative to non-fertile days of their partner's ovulatory cycle. *Hormones and Behavior*, 65, 454-60.

Gildersleeve, K. A., DeBruine, L., Haselton, M. G., Frederick, D. A., Penton-Voak, I. S., Jones, B. C., & Perrett, D. I. (2013). Shifts in women's mate preferences across the cycle: A critique of Harris (2011) and Harris (2012). *Sex Roles*, 69, 525-535.

Larson, C. M., Haselton, M. G., Gildersleeve, K. A., & Pillsworth, E. G. (2012). Changes in women's feelings about their romantic relationships across the ovulatory cycle. *Hormones and Behavior*, *63*, 128-135.

Gildersleeve, K. A., Haselton, M. G., Larson, C. M., & Pillsworth, E. G. (2012). Body odor attractiveness as a cue of impending ovulation in women: Evidence from a study using hormone-confirmed ovulation. *Hormones and Behavior*, *61*, 157-166.

Haselton, M. G. & Gildersleeve, K. A. (2011). Can men detect ovulation? *Current Directions in Psychological Science*, *20*, 87-92.

ENCYCLOPEDIA CHAPTERS & BOOK REVIEWS

Frederick, D. A., Galperin, A., Gildersleeve, K. A., Fillosof, Y., Snider, J. B., Nguyen, D. M., Lurye, F., Fales, M. R., & Cantu, S. M. (2010). Sexuality: An evolutionary perspective. In T. Cooke (Ed.), *Sex and Society*. New York, NY: Marshall Cavendish.

Frederick, D. A., Fillosof, Y. R., Gildersleeve, K. A., Maisel, N. C., Phuphanich, M. E., Poore, J. C., Preciado, M. A., Saxbe, D. E., & Usahachoenporn, P. (2010). Fidelity. In T. Cooke (Ed.), *Sex and Society*. New York, NY: Marshall Cavendish.

Frederick, D. A., Pillsworth, E. G., Galperin, A., Gildersleeve, K. A., Fillosof, Y., Fales, M. R., Lopez, C., Lurye, F., Phuphanich, M. E., Snider, J. B. (2009). Analyzing evolutionary social science and its popularizations – A review of *The Caveman Mystique: Pop-Darwinism and the Debates Over Sex, Violence and Science*. *Evolution and Human Behavior*, *30*, 301-304.

CONFERENCES & SYMPOSIA

Gildersleeve, K. A. (Co-organizer), Hahn-Holbrook, J. (Co-organizer) (2017, January). *Social Neuroendocrinology Preconference*. The Society for Personality and Social Psychology Annual Conference, San Antonio, Texas.

Gildersleeve, K. A. (Chair, Speaker), Grebe, N. M. (Speaker), Haselton, M. G. (Speaker), & Tidwell, N. D. (Speaker) (2015, February). *Hot topics in ovulatory cycle research: Empirical syntheses, p-curves, and new theoretical directions*. The Society for Personality and Social Psychology Annual Conference, Long Beach, California.

Gildersleeve, K. A. (Co-chair, Speaker), Durante, K. M. (Co-chair, Speaker), Cantú, S. M. (Speaker), & Maner, J. K. (Speaker) (2012, June). *Advances in ovulatory cycle research*. The Human Behavior and Evolution Society Annual Conference, Albuquerque, New Mexico.

INVITED UNIVERSITY COLLOQUIUM TALKS

Gildersleeve, K. (2016, January). *Ovulation and our relations: Investigations linking women's reproductive physiology, relationships, and health*. Invited talk presented at the Chapman University Psychology Department Colloquium, Orange, California.

Gildersleeve, K. (2015, January). *Attraction and ovulation in humans: Meta-analytic and experimental investigations*. Invited talk presented at the UCLA Lab for Neuroendocrinology (LNE) Colloquium, Los Angeles, California.

Gildersleeve, K. (2014, May). *Meta-analytic and experimental investigations of shifts in women's mate preferences and attractiveness across the ovulatory cycle*. Invited talk presented at the UCLA Behavior, Evolution, and Culture Talk Series, Los Angeles, California.

Gildersleeve, K. (2014, April). *Under our radar: The invisible influence of the ovulatory cycle on attraction and relationships*. Invited talk presented at the DePaul University Communication Department Colloquium, Chicago, Illinois.

Gildersleeve, K. (2014, February). *Hormonal and genetic influences on human mating*. Invited talk presented at the UCLA Lab for Neuroendocrinology Colloquium, Los Angeles, California.

Gildersleeve, K. (2009, May). *Men's adaptive preference for women's high-fertility body odor: Individual differences and functions in mating*. Invited talk presented at the UCLA Social Psychology Colloquium, Los Angeles, California.

SELECTED CONFERENCE PRESENTATIONS

Gildersleeve, K. A., Murray, D. R., Fales, M. R., & Haselton, M. G. (2016, July). *MHC homozygosity is associated with fast sexual strategies in women*. Talk presented at the Human Behavior and Evolution Society Conference, Vancouver, British Columbia, Canada.

Gildersleeve, K. A. & Haselton, M. G. (2016, April). *Meta-analytic evidence for an ovulatory shift in women's attractiveness*. Talk presented at the Western Psychological Association Conference, Long Beach, California.

Gildersleeve, K. A., Glynn, L. M., Sandman, C. A., & Davis, E. P. (2016, March). *Prenatal exposure to maternal depression predicts boys' selective attention to threat*. Poster presented at the American Psychosomatic Society Conference, Denver, Colorado.

Gildersleeve, K. A., Fales, M. R. & Haselton, M. G. (2016, January). *Women's evaluations of other women's body odor depend on targets' fertility and hormonal contraception use*. Poster presented at the Society for Personality and Social Psychology Conference, San Diego, California.

Gildersleeve, K. A. & Haselton, M. G. (2015, May). *Are women more attractive near ovulation? A meta-analytic review*. Talk presented at the Human Behavior and Evolution Society Conference, Columbia, Missouri.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2015, February). *Shifts in mating behavior across the ovulatory cycle: Two meta-analytic reviews*. Talk presented at the Society for Personality and Social Psychology Conference, Long Beach, California.

Gildersleeve, K. A. & Haselton, M. G. (2014, February). *Evidence for ovulatory cycle shifts in women's mate preferences: A meta-analysis*. Talk presented at the Society for Personality and Social Psychology Conference, Austin, Texas.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2013, July). *Meta-analytic review of cycle shifts in women's mate preferences: Findings from complete set of published and unpublished effects*. Talk presented at the Human Behavior and Evolution Society Conference, Miami, Florida.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2013, January). *Do women's mate preferences change across the ovulatory cycle? A meta-analytic review*. Poster presented at the Society for Personality and Social Psychology Conference, New Orleans, Louisiana.

Gildersleeve, K. A., Haselton, M. G., & Fales, M. R. (2012, June). *Do women's mate preferences change across the ovulatory cycle? A meta-analytic review*. Talk presented at the Human Behavior and Evolution Society Conference, Albuquerque, New Mexico.

Gildersleeve, K. A. & Frederick, D. A. (2011, June). *Age, sex, and bargaining power within the mating market*. Poster presented at the Human Behavior and Evolution Society Conference, Montpellier, France.

Gildersleeve, K. A., Frederick, D. A. (2011, April). *Examining the effects of age on mate preferences and selectivity*. Talk presented at the Western Psychological Association Conference, Los Angeles, California.

Gildersleeve, K. A., Larson, C. M., Pillsworth, E. G., & Haselton, M. G. (2011, January). *Can men detect ovulation? Evidence that men prefer women's high-fertility body odor*. Poster presented at the Society for Personality and Social Psychology Conference, San Antonio, Texas.

Gildersleeve, K. A., Larson, C. M., Pillsworth, E. G., & Haselton, M. G. (2010, June). *Detection of ovulation through scent cues: A study of women with hormonally-confirmed ovulation*. Talk presented at the Human Behavior and Evolution Society Conference, Eugene, Oregon.

Gildersleeve, K. A., Larson, C. M., Pillsworth, E. G., & Haselton, M. G. (2010, April). *Men's detection of female ovulation through scent cues: Does experience play a role?* Talk presented at the Western Psychological Association Conference, Cancun, Mexico.

Gildersleeve, K. A., Larson, C. M., Pillsworth, E. G., & Haselton, M. G. (2010, January). *Detection of human female ovulation through scent cues: Preference, discrimination, and individual variation among men*. Poster presented at the Society for Personality and Social Psychology Evolutionary Psychology Preconference, Las Vegas, Nevada.

Gildersleeve, K. A., Larson, C. M., Pillsworth, E. G., & Haselton, M. G. (2009, May). *Detection of human female ovulation through scent cues: Preference, discrimination, and individual variation among men*. Poster presented at the Human Behavior and Evolution Society Conference, Fullerton, California.

Gildersleeve, K. A., Frederick, D. A., Larson, C. M., Fillosof, Y. R., & Natwick, A. (2009, May). *Positive illusions in self and partner ratings of physical attractiveness*. Poster presented at the Association for Psychological Science Conference, San Francisco, California.

Gildersleeve, K. A., Setterlund, M. B. (2007, January). *Love at first sniff: Olfactory cues to attraction*. Poster presented at the Society for Personality and Social Psychology Main Conference and Evolutionary Psychology Preconference, Memphis, Tennessee.
