

ANTHONY G. WILKIE

EDUCATION

Western Carolina University
Bachelor of Science in Mathematics
Minor in Computer Science
Graduation Date: May 2018
Graduating G.P.A.: 3.640

Miami University
Master of Science in Mathematics
Master's Thesis: *Łoś Ultraproduct Theorem*
Graduation Date: August 2020
Current G.P.A.: 3.56

EXPERIENCE AND EMPLOYMENT

Western Carolina University

- **Math Tutor** 2015-2018
- Level 1 Certification from College Reading and Learning Association
- **General GRE Preparation** Spring 2015

Miami University

- **Teaching Assistant** 2018 - 2019
- Pre-Calculus
- **Teaching**
- Calculus I Fall 2019
- Calculus I Spring 2020

University of Colorado – Boulder

- Math 1012: Quantitative Reasoning & Mathematical Skills **Fall 2020 - present**
- Math 1150: Pre-calculus Fall 2020 - Spring 2021
- Math 1112: Math Analysis in Business Fall 2020
Spring 2021

SOCIETAL MEMBERSHIPS

Alliance Scholar (Student Member of Math Alliance) 2015-2018
MAA Student Member 2015-2018
The National Society of Leadership and Success 2016
American Mathematical Society 2020

AWARDS AND SCHOLARSHIPS

Chancellor's List (3.8 GPA or higher) Fall 2016 - 2018
Dean's List (3.5 GPA or higher) Spring 2016 - 2018
George A. Milton Scholarship 2015 - 2016
Barry Breitenbach Scholarship 2016 - 2017
Beyond the Major Award Spring 2018

EXTRACURRICULAR ACTIVITIES

Virginia Tech Regional Mathematics Contest 2015 - 2017
William Lowell Putnam Mathematical Competition 2016 - 2017
WCU Math Club - Vice President 2015-2017
- President 2017-2018
Student Ambassador for the Mathematics and Computer Science Department 2017-2018
- Nominated by Mathematics and Computer Science department head
Math Tutor Hiring Committee 2018

CONFERENCES ATTENDED

MAA Southeastern Section 95th Annual Meeting	Spring 2016
MAA Southeastern Section 96th Annual Meeting	Spring 2017
MAA Southeastern Section 97th Annual Meeting	Spring 2018
Annual UNCG Regional Mathematics and Statistics Conference	Fall 2017

PRESENTATIONS

Enumeration in Peisert Graphs	Spring 2018
-------------------------------	-------------

COMPUTER SKILLS

Programming Languages: \LaTeX , Java, Mathematica, Matlab, Excel, R, GAP, Python, Coq
