IND 3800 Design for Marketability and Manufacturing	Design Studio (4)	Fall 2017

GUEST LECTURES + JUROR

Product Development and Market Feasibility | Juror Jun 2023

Department of Mechanical & Materials Engineering
University of Denver — Professor Michael Caston
Denver, CO (invited guest juror)

Product Development and Market Feasibility | Juror Jun 2022

Department of Mechanical & Materials Engineering
University of Denver — Professor Michael Caston
Denver, CO (invited guest juror)

“The Birth of Post-War Modern Furniture” Apr 2022

Evans, Eames, Nelson, and the Designers Who Made it Happen
University of Colorado — EPOD 2004: Professor Azhar Kahn
Boulder, CO (guest lecture)

“Herman Miller’s Vision of the Future from 1946 to 1960” Mar 2022

Ephemera42—Annual Conference & Fair of the Ephemera Society of America
Old Greenwich, CT (invited speaker)

“Intellectual Property for Product Designers” Sept 2020

Identifying Opportunities & Strategies for Launching Real Products
University of Colorado — EPOD 3100: Professor Alexandra Beach
Boulder, CO (guest lecture)

Entrepreneurship in Design | Panelist

Innovation and Entrepreneurship Living Learning Community
University of Denver — Professor Michael Caston
Denver, CO (invited panelist) Nov 2018

“Designing a Western Museum Exhibition” Nov 2017

Bangladesh Liberation War Museum — Dr. Mofidul Hoque
Dhaka, Bangladesh (guest lecture)

Institute for Entrepreneurship, Venture Accelerator | Adviser

2014–2017

Professional Practicing Adviser for Startups
Colorado State University — Professor: Jessica Rawley
Fort Collins, CO (guest lecture + adviser)

“Designing a non-Western Museum Exhibition”

Apr 2014

Vietnam Academy of Social Sciences
Hanoi, Vietnam (informal guest lecture)

“Designing Products to Succeed in the Real World”

Mar 2014

Metropolitan State University — IND 2450 Professor: David Klein
Denver, CO (guest lecture)

SERVICE RECORD

UNIVERSITY OF COLORADO

Faculty Adviser, CU Boulder IDSA Chapter

Industrial Design Society of America Student Chapter

Volunteered

Aug 2022—Present

Chair, Exhibitions & Events Committee

Program of Environmental Design

Appointed

Aug 2023—Present

ENVD Materials Library

Design-Build Independent Study (co-managed)

Volunteered

May 2023—Aug 2023

ENVD Studio Redesign (Basement and FL3)

Designed and Fabricated

Volunteered

April 2023—Aug 2023

Member, Exhibitions & Events Committee

Program of Environmental Design

Appointed

Aug 2022—Aug 2023

ENVD Studio Prototype (FL3, South Side)

Designed and Fabricated

Volunteered

April 2022—Aug 2022

Member, Technology Committee

Program of Environmental Design

Appointed

Jan 2022—Aug 2022

CRITICAL SKILLS

DIGITAL

Digital 3D Modeling (Rhino, SketchUp, Vectorworks, Fusion360, Solidworks)

Professional/Advanced user of Adobe Creative Apps (Illustrator, Photoshop, InDesign, Premier Pro)

High-quality Digital Rendering and Animation (Enscape, Keyshot)

Typesetting, fonts, copyrighting, and digital storytelling.

Computational Design with Grasshopper for Rhinoceros 3D.

ANALOG

Member of the Industrial Designers Society of America (IDSA).

Extensive understanding of current Digital Fabrication Techniques (CNC, Laser, 3D printer).

In-depth knowledge of cutting-edge manufacturing processes and materials.

Professional fabrications skills for working prototypes and sculptural forms.

Personal network of local product design professionals to engage for critiques, lectures, and seminars.

Extensive experience with exhibitions, installations, and interpretative planning.

Designed, positioned, launched, and fulfilled million-dollar Kickstarter campaigns.

THANK YOU.
