GUEST LECTURES

“Lighting for Dance” THTR 3055: Stage Lighting I – <i>University of Colorado Boulder</i> Connecting theories and qualities of light to their usage in dance productions and providing an overview of the history of lighting as it relates to dance.	Fall 2021, 2022
“Elements of Design” DNCE 1908: First Year Dance Seminar – <i>University of Colorado Boulder</i> Discuss and demonstrate visual design elements, culminating in a self-portrait collage piece created by each student	Fall 2021

- “Meet a Theatrical Lighting Designer” – *University of Tennessee - Knoxville* Fall 2020
 As a guest lecturer for the Fundamentals of Lighting Design and Technology class, I shared my process as a lighting designer, focusing primarily on my designs for the theatrical stage and providing examples from my own portfolio to lead a discussion regarding the role of theatrical lighting designer.
- She Kills Monsters* Design Discussion and Feedback – *University of Tennessee – Knoxville* Fall 2020
 As a professional designer, I was invited to watch the Fundamentals of Lighting Design and Technology student presentations of *She Kills Monsters* and provide feedback and insight on the presentations.
- Theories and Qualities of Light – *Southeastern Summer Theatre Institute* Summer 2020
 An introductory presentation and discussion with high school technical theatre students, exploring the goals of lighting design; controllable qualities of light; functions of light; and concluding with an interactive analysis of art, paintings, and photos from live theatrical productions.
- Professional Careers in Theatre – *Wake Forest University* Spring 2017
 During my two-week residency as a guest designer, fellow alum Stowe Nelson ('08) and I led a discussion with current Design and Production students, providing insight into life after college, career options, internship opportunities, and general knowledge about design as a profession.

GUEST TEACHING ARTIST

- Teaching Artist – *Creede Repertory Theatre, CO* Summer 2023
 Summer Day Camp: *Fairytale Theatrical Design*
 One-week day camp for students ages 6-8. Explore the fundamentals of scenic, lighting, sound, and costume design and encourage campers to use their imaginations and creativity to create their own magical worlds for the story of *Thumbelina*.
- Guest Artist-in-Residence – *University of Tennessee - Knoxville* Winter 2018
 Ten-day residency, including lighting design for LORT production, guest lectures, and master classes.
 Master Class: *Dance Lighting Supervision Intensive*
 Master Class: *Assistant Lighting Designer Paperwork Intensive*
 Guest Lecture: *Transitioning from Student to Professional*

SERVICE AND COMMITTEES

UNIVERSITY OF COLORADO BOULDER
