Matthew Murray

themattthewmurray@gmail.com
themattthewmurray.weebly.com

Highlights of Qualification

- Provided assistance with finding, accessing, using, managing, and storing research data
- Experienced providing research support and teaching workshops on topics including research data management, Git/GitHub, Open Refine, Open Access publishing, copyright and Creative Commons licenses, data management plans, digital scholarship, ORCID, and bibliometrics
- Worked on projects that involved cleaning and analyzing quantitative and qualitative data
- Promoted and developed procedures for institutional and data repositories
- Familiar with metadata schemas and metadata creation for digital collections and datasets
- Provided in-person and online reference services for students, faculty, and researchers
- Wrote instructional materials and other technical documentation for library projects
- Initiated and led library-focused technology projects and community partnerships
- Capable of teaching others how and why to use specific technologies and resources
- Involved with academic, research, and library communities
- Committed to the concepts of diversity, equity, inclusion, Truth and Reconciliation, Indigenization, and the decolonization of education and research
- Dedicated to evolving the place of librarians through collaboration and innovation

Education

- **Master of Library and Information Studies** November 2015
  - iSchool@UBC: School of Library, Archival and Information Studies
  - University of British Columbia, Vancouver, Canada
- **Bachelor of Arts** May 2005
  - Memorial University of Newfoundland, St. John's, Newfoundland, Canada
  - Double major in Russian Literature and Language / History

Relevant Experience

University of Colorado Boulder, University Libraries

- Data Librarian April 2023 – Present

British Columbia Institute of Technology, Library

- Data & Graduate Studies Librarian January 2022 – April 2023
  - Assisted students and faculty members with finding, accessing, using, managing, and storing research data
  - Collaborated with faculty to embed research data management practices into courses
  - Acted as liaison librarian to graduate level programs and select undergraduate programs (GIS, Geomatics, Mining, & Industrial Wood Processing)
  - Acted as liaison with Indigenous Initiatives, attended Indigenous events on campus, and led project to improve and highlight Indigenous collections within library
  - Taught sessions on library resources and search strategy to classes and student groups
  - Purchased print and ebooks to support relevant programs
  - Completed in-person and online (AskAway) reference shifts
  - Developed and edited online research guides
  - Worked with systems librarian to improve findability of library resources
  - Created library presence on student Discord groups

Matthew Murray

themattthewmurray@gmail.com
themattthewmurray.weebly.com

University of Guelph, McLaughlin Library

- Research & Scholarship Librarian (one year contract) November 2018 – November 2019
  - Co-developed and co-taught workshops on copyright, open access publishing, research data management, Git/GitHub, scholarly identity, article processing charges, electronic theses and dissertations, and non-traditional scholarship
  - Co-created partnership with Guelph Public Library to offer workshops on accessing academic research without an institutional affiliation and copyright
  - Established partnership with Community Engaged Scholarship Institute at 10C Shared Space to provide workshops on research data aimed at general public
  - Developed community partnerships with Wellington-Dufferin-Guelph Public Health and other local organizations
  - Promoted institutional repository at local data showcase event Driven by Data
  - Organized and participated in Wikipedia edit-a-thon events
  - Organized Library Forum meeting about data the library gathers and uses
  - Answered reference questions through online systems, email, and reference desk
  - Member of Gryph Reads leisure media collection development committee

University of Nevada, Las Vegas Libraries, Scholarly Communication Initiatives Department

- Library Fellow (non-tenure track librarian position) January 2017 – November 2018
  - Project lead on development of Research Data Management support infrastructure
    - Performed environmental scan of campus, created documentation and report, developed workshops and unConference, created resources for librarians
  - Project co-lead assessing viability of library provided ORCID iD integration and support
    - Created proposal, worked with other departments to develop integration systems, ran internal pilot on ORCID's Sandbox site, released white paper
  - Led project to add Altmetric badges to items in institutional repository
  - Developed partnership with the Division of Research and Economic Development to better provide research data services to faculty and researchers
  - Chair of hiring committee for Knowledge Production's Design Lab Specialist
  - Member of Libraries' Research Week Task Force and Undergraduate Research Jury
  - Established procedures to add student research data to institutional repository

Kwantlen Polytechnic University

- On-Call Librarian September – December 2016
  - Performed duties of Reference Librarian

See Also: The UBC School of Library, Archival and Information Studies Student Journal

- Professional Experience Course December 2014 – August 2015
  - Managing Editor for inaugural issue of journal highlighting student research
  - Developed web presence using Open Journal System
  - Created documentation for organizational structure, peer review processes, etc.

Union of British Columbia Indian Chiefs – Vancouver, British Columbia

- Contract Librarian March 2016
  - Created and revised metadata resources and documentation
  - Ran training sessions for Photoshop and digitization

University of British Columbia Library Digitization Centre – Vancouver, British Columbia

- Digitization Generalist Part Time – September 2014 – August 2015

Matthew Murray
themattthewmurray@gmail.com
themattthewmurray.weebly.com

- Digital Projects Student Librarian — Full Time Co-Op – January – August 2014
  - Worked as project lead on *TRIUMF Science Reports* and *Language and Literacy Education Papers* digitization projects for UBC Institutional Repository
  - Used CONTENTdm and other programs to manage collections
  - Used OpenRefine to clean metadata
  - Trained others in the use of equipment and digitization procedures
  - Created social media policies and documentation for Twitter, Flickr, and Hootsuite
  - Worked with Library Communications & Marketing to promote collections
  - Wrote computer scripts to automate processes

Richmond Public Library – Richmond, British Columbia

- Practicum Student eServices — December 2014
  - Completed info desk shifts and assisted patrons with 3D printers and other technology
  - Wrote a "how to" guide for lynda.com and a subject guide for 3D modelling

Events & Organizing

Zine Pavilion at American Library Association Annual Conference

- Co-organizer — March 2013 – Present
  - Develop, organize, and present zine related programming and sessions
  - Schedule and supervise volunteers
  - Contact and co-ordinate zine creators

Manga in Libraries Webinar series

- Co-Organizer — June 2021 – 2023

International Zine Librarian unConference

- Co-Organizer — April 2020 – September 2022
  - Help facilitate move to online, international version after in-person event canceled
  - Develop technology-based structures for conversations, presentations, and preservation

Toronto Comic Arts Festival Libraries & Education Day (previously "Librarian and Educator Day")

- Libraries & Education Programming Coordinator — January 2019 – November 2022
  - Developed sessions, acted as contact for panelists, and worked with moderators to create structure for sessions

Mountain West Data Librarian Symposium

- Co-Organizer — March 2018 – September 2018
  - Developed schedule, infrastructure, and assessment criteria for conference

American Library Association Annual Conference Friday Forum

- Co-organizer — February 2018 – July 2018
  - Developed and organized comic book-related programming and sessions

Library Events at Emerald City Comic Con

- Co-organizer — August 2016 – October 2017
  - Developed and planed panels aimed at general audience
  - Co-ordinated sessions, infrastructure, and "Pop-Up Library"

Matthew Murray
themattthewmurray@gmail.com
themattthewmurray.weebly.com

Comics Conference for Educators and Librarians at San Diego Comic Con

- Co-organizer May 2016 – July 2017
  - Developed and planned panels and presentations
  - Co-ordinated sessions, infrastructure, and social media

Professional Groups

Ivy Plus Libraries Confederation – Digital Gaming Communities Web Archive

- Co-Curator August 2019 – Present
  - Develop proposal, metadata requirements, and list of websites for project designed to create a digital archive of digital gaming websites

ALA Graphic Novels & Comic Books Member Round Table

- Board – Member-at-Large June 2019 – June 2020
- Steering Committee – Member January 2018 – June 2019
  - Helped guide Graphic Novels & Comic Books Member Initiative Group in process to become a full Round Table
  - Co-chaired Awards & Reading Lists Committee (July 2018-June 2019)
  - Co-developed "Best Graphic Novels for Adults," "Best Graphic Novels for Children," and "Best Webcomics" reading lists
  - Acted as liaison with Awards & Reading Lists Committee

Greater Western Library Alliance's Data Management Task Force's Research Data Services Program Levels project team

- Chair July 2017 – March 2020
  - Led development of survey about research data services for GWLA institutions
  - Co-ordinated meetings, data cleaning and analysis, and creation of final report
  - Worked to facilitate publication of final report

American Library Association Games and Gaming Round Table

- Chair of Program Planning Committee September 2014 – June 2018
  - Solicited, chose, and organized sessions and pre-conferences for ALA Conferences
  - Representative for 2016 Eisner Graphic Novel Innovation Grant for Libraries Jury

Association for Information Science and Technology Digital Library Special Interest Group

- Webmaster November 2014 – November 2016
  - Updated website and social media
  - Helped plan conference sessions, scholarships, and more

British Columbia Library Association Readers' Advisory Interest Group

- Digital Services Chair April 2015 – December 2016
  - Expanded and integrated website, blog, and social media presence
  - Developed social media policies and documentation
  - Helped organize, run, and present workshops and training events

No Flying No Tights – noflyingnotights.com

- Special Features and Teen Reviews Editor — January 2016 – December 2018
  - Graphic novel review site created by and for librarians

Other

Wikipedia/Wikidata

- Editor — January, 2010 – Present
  - Create, write, and edit articles, add citations, fix links
  - Participate in and teach at Wikipedia and Wikidata Edit-a-thon events
  - Familiar with tools used for creating visualizations using Wikidata
  - Initiated and led online discussions on zines and wikis

Book Club for Masochists: a Readers' Advisory Podcast – bookclub4m.libsyn.com

- Co-Host and editor — March 2016 – Present
  - Over 200 episodes and 160,000 combined downloads as of September 2024
  - Co-develop Indigenous land acknowledgments
  - Create and edit video content for Twitch.tv and YouTube
  - Co-crate BIPOC booklists

Udon Entertainment and Manga Classics

- Library and Education Promotion — June 2021- November 2022

Circulating Ideas – the librarian interview podcast

Guest host and editor — October 2019

Matthew Murray
themattthewmurray@gmail.com
themattthewmurray.weebly.com

- Episode 169 – Amie Wright

Two-Fisted Library Stories – twofistedstories.blogspot.com

- Editor June 2013 – Present
  - 11 issues of anthology zine featuring fiction and comics about libraries

Vancouver Mini Maker Faire 2014-2015

- Co-designed, built, and programmed Readers' Advisory device using Raspberry Pi
- Acted as student representative on Vancouver Mini Maker Faire board

Students at SLAIS website (studentsatslais.weebly.com)

- Creator and webmaster June 2013 – August 2015
  - Resource site for students featuring events calendar, course reviews, and more

Social Media and Online Communities

- **Zines & GLAM (Galleries, Libraries, Archives, Museums)** October 2020 – Present
  - Discord Server (https://discord.com/invite/cSG3gmx)
  - Founder and administrator
